### TESTIMONY.

**S**OME weeks ago a lady called to ask us, on behalf of her son, for a letter of introduction to the Association at Buffalo. We did so, and a few days since the lady returned to thank us for the same, saying that her son had presented the letter, and had been most kindly received, and aided in his search for employment.

### THANKS.

**W**E are indebted to Russell Sturgess, Esq., of Boston, for a copy of "Africa, a missionary journal." This is to be received at our rooms for one year from date. We are open for similar favours from others.

**D**URING a recent visit to Buffalo, we had the pleasure of looking over the building now in course of erection for the Association in that city. It has a commanding position, and is evidently laid out with a view to the needs of the work. The Association is doing a good work, under the leadership of Mr. Squires, the General Secretary; and with the increased facilities which the new building will afford, we believe the work will prove even more beneficial in the future.

### DARE YOU RISK YOUR SOUL?

Weigh well the practice of sin, and ponder this question—

## WILL IT PAY?

### REMEMBER,

"The wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord."—Romans 6: 23.

A good name is rather to be chosen than great riches, and loving favour rather than silver and gold.

—Prov. xxii. 1.

### PERSONAL.

**O**UR workers will regret to learn that Mr. W. Russell, who for the past three years worked so earnestly with us, is very ill at his home in Ormstown, Que. He writes that he knows not what may be the result of the illness, but he leaves it all in the hands of "Him who doeth all things well."

**READER!**—This may not be **THE** last day, but it may be **THY** last day! Your account **MUST** be great, and it **MAY** be near. How are you prepared to meet it?

O be earnest!—do not stay;  
Thou mayest perish *e'en to-day*:  
Rise, thou lost one, rise and flee;  
Lo! the Saviour waits for thee.
