

The Lenten Season

with its necessary abstinence and fasting, is over. Be careful now of over indulgence. Apart from its higher benefits, fasting has its physical advantages. The stomach gets the rest, which, in many cases, it sorely needs. But

Fasting or Feasting

are one in effect to those who carefully look after their digestive organs at all times. The stomach may get needed rest at any time, and without fasting, by the use of

Dodd's Dyspepsia Tablets

They digest the food, every particle of it, and thus relieve and rest the stomach. They tone up the organs of digestion, and promptly cure Heartburn, Indigestion, Dyspepsia, or other stomach derangement.

The small brown Tablets are a perfect regulator for the Liver and Bowels.

50c. a Box—All Druggists.

The Kidneys are Nature's Blood Filters. Dodd's Kidney Pills will insure their proper action.
