CORN SOWING

Is a process conducted by the agency of tight boots all the year round. Corn reaping is best conducted through the agency of Putnam's Painless Corn Extractor, the only safe and sure-pop corn cure. Putnam's Extractor is now widely imitated. Beware of all poisonous and sore producing substitutes.

There is no eloquence like the eloquence of example. A man does well when he talks with words; but he is irresistibly convincing when he talks with the deeds of an honest life.

A NEW GATEWAY.

By the completion of a new bridge across the Missouri River at Rulo, Nebraska, the Burlington Route has established, for the entire distance over its own track, a new, direct, through line from St. Louis to Kansas City, St. Joseph, Atchison, and Denver. Over this line is run "The Burlington's Denver Express"—a solid train with through sleeping cars and coaches from St. Louis to St. Joseph and Denver, and a through sleeping car from St. Louis to Kansas City. The connection made by this train at the Missouri River, at Denver and at junction points en route are such that one can directly reach by it all points in Nebraska, Colorado and all sections of the West and Southwest, as well as all Pacific coast points. This is an addition to "The Burlington Number One" well known solid vestibule train between Chicago and Denver and Cheyenne, with which direct connection is made by C. B. & Q. R. R. train from Peoria, and by which one can make the run between Chicago and Denver without being more than one night on the road. For tickets via the Burlington Route and for special excursion folder, call on any ticket agent of connecting lines, or address P. S. EUSTIS, Gen'l Pass. and Ticket Agent, C. B. & Q. R. R., Chicago, Ill.

We can easily manage if we will only take, each day, the burden appointed for it. But the load will be too heavy for us if we add to its weight the burden of to-morrow before we are called to bear it.

Gents.—I am now sixty years old, have been quite bald, and have worn a wig for over forty years. About a year ago I heard of the wonderful hair-producing qualities of Minard's Liniment. I have used it but a few months and now have a beautiful growth of hair.

How many a man by throwing himself to the ground in despair, crushes and destroys forever a thousand flowers of hope, that were ready to spring up and gladden all his pathway.

"One of the most perfect instruments for
sound instruction concerning the Church
that has been offered to Churchmen. The
whole temper of the book is courteous,
kindly and humble. This book ought to be
in the hands of every Churchman. Of all
books upon this important subject it is the
most readable. It is popular and attract-
ive in style, in the best sense. We com-
mend it most heartily to every Clergyman
for personal help and parochial use. We
would, if we could, place a copy in the
hands of every member of the English-
speaking race. And we are assured, that
once begun, it will be read with interest
from preface to conclusion. No better text
book could be found for a class of adults,
who desire to give a reason for their faith,
and be Churchmen in reality.—Church
Record.
