

*The Prime Minister of The West Indies to the Prime Minister of Canada*

THE WEST INDIES  
THE PRIME MINISTER'S OFFICE,  
PORT OF SPAIN,  
TRINIDAD.

October 18, 1958.

Dear Mr. Prime Minister:

You were good enough to write suggesting that we should establish agreed principles to guide and facilitate the activities of the Governments of Canada and The West Indies in the furtherance of the Canada-West Indies Aid Programme. To this end officials of our two Governments have conferred in Port of Spain and Ottawa and reached agreement on the text of the proposed "Statement of Principles Agreed by the Government of Canada and the Government of The West Indies for the Canada-West Indies Aid Programme". I accordingly now have the honour to confirm that the Government of The West Indies concurs in the Statement attached to this letter and that it is to be taken as the basis on which it is agreed that the Programme shall proceed.

I am, dear Mr. Prime Minister,

Yours sincerely,

GRANTLEY H. ADAMS

The Rt. Hon. John Diefenbaker, P.C., Q.C.
