No. 869—*Mr. Robinson*

1. Does the Department of Transport have a contract(s) with CARA Operations Ltd., 55 Yonge St., Toronto, Ontario?

2. What are the terms of the contract(s) and how long has it (have they) been in effect?

3. When was the first contract entered into with the Department of Transport?

4. How many contracts have been entered into with CARA Operations Limited?

5. Has the Department of Transport received any complaints about the service provided since the contract(s) went into operation?

6. What has the Department of Transport done about these complaints?

7. Do any of the complaints relate to monopolies?

8. What steps does the Department take to ensure that complaints are properly dealt with?

9. Who audits the books of CARA and are copies of the auditors reports forwarded to the Department of Transport?

10. Has the Auditor General seen the audit reports?

11. Has the Auditor General made any comments on them and, if he has, what are they?

12. Since the inception of the contract(s) has the Department of Transport had any difficulty in making an audit of the books of CARA Operations Limited in conformity with the standards generally accepted by the public accounting profession and/or the Auditor General of Canada?

13. What specifically were the problems involved?

14. Is the Department of Transport giving any consideration to changing the current provisions of the CARA contract(s) and opening the operations involved to tender by local businessmen across Canada?

No. 876—*Mr. Burton*

1. How many military aircraft have been despatched from Canada since September 12, 1968 for use in transporting relief supplies to Nigeria or Biafra?

2. What is the make of each plane and when did each leave Canada?

3. What was the destination of each plane when it left Canada, what was the route travelled and when did each plane arrive at its destination?

4. What was the name and rank or status of each person aboard each plane enroute from Canada to destination?

5. Have any of the planes returned to Canada and, if so, on what date and from what location did each depart for Canada, what route was travelled and when did each arrive in Canada?

6. What was the name and rank or status of each person aboard each plane enroute the return trip to Canada?

7. What trips were made by each plane from the time of arrival at original destination to the present or to the time of departure for Canada?
