

*Inquiries of the Ministry*

**Mr. Speaker:** Order, please.

**Mr. Baldwin:** On a point of order—

**Some hon. Members:** Hear, hear!

**Some hon. Members:** Oh, oh!

**Mr. Speaker:** The hon. member for Peace River is rising on a point of order.

**Mr. Baldwin:** On a question of privilege, Mr. Speaker, I feel that the statement made by the hon. member is not correct. We are prepared to proceed with this bill but would like the government to give an undertaking that it will listen to the representations of interested groups.

**Mr. Speaker:** Order, please. The Chair has called orders of the day.

**Mr. Pringle:** Mr. Speaker—

**Mr. Speaker:** Order, please. The hon. member rose on a supplementary question. I must bring to the attention of hon. members that the question period ended some minutes ago. The hon. member for Peace River obtained the floor for the purpose of inquiring about the forthcoming business. I suggest to hon. members that points of order and questions of privilege raised subsequently might well be kept for later consideration. Orders of the day. Is the hon. member for Huron rising on a question of privilege?

**Mr. McKinley:** Yes, Mr. Speaker. I think it should be brought to the attention of the House and the people that the hon. member for Fraser Valley East (Mr. Pringle) spoke unexpectedly on the last night this bill was before the House and that helped to prevent the bill going to the committee on that day.

**Some hon. Members:** Oh, oh!

**Some hon. Members:** Hear, hear!

**Mr. Pringle:** Mr. Speaker—

**Some hon. Members:** Sit down!

**Mr. Speaker:** Order, please. I suggest to hon. members that perhaps we are going beyond the bounds of usual debate. I ask the co-operation of all hon. members. The Chair has called orders of the day. The hon. member rose on a point of order and he made his point. If we were to continue along this line I suggest we would achieve nothing at all except further disorder in the House which I suggest is not acceptable. It is certainly not acceptable to the Chair. The hon. member

[Mr. Pringle.]

seeks the floor on a further question of privilege. It would have to be a new question because the hon. member did not have a question of privilege in the first instance.

**Mr. Pringle:** Mr. Speaker, it is a question of personal privilege. I suggest that an allegation was made here which imputed motives. I would like to say that this bill, which I have been accused of holding up, has been before the House seven times and—

**Some hon. Members:** Oh, oh!

**Mr. Speaker:** Order, please. Orders of the Day.

**VIOLENT DISTURBANCES**

MONTREAL—BOMB EXPLOSIONS—ASSISTANCE FROM ROYAL CANADIAN MOUNTED POLICE

**Mr. Eldon M. Woolliams (Calgary North):** Mr. Speaker, I rise on a question of privilege. It is an entirely different matter.

**Mr. Speaker:** I am pleased to hear that.

**Mr. Woolliams:** A serious matter has just been brought to my attention, and I would like to obtain the consent of the House to ask the Minister of Justice a question about it. I am told that the police of the city of Montreal and of the province of Quebec are unable to obtain information from the RCMP regarding the serious bombings that are taking place in that city. I should like to ask the Minister of Justice whether he would look into the allegation because of the serious nature of the situation.

**Mr. Speaker:** The hon. member has put the question and I am sure the Minister of Justice, who is present in the House, has taken note of the hon. member's question. Orders of the day.

**GOVERNMENT ORDERS****ARCTIC WATERS POLLUTION PREVENTION ACT**
