

DISTRICT ASSOCIATIONS.

MEGANTIC.

It was stated in the last Report that measures were in progress for reviving the Megantic District Association. A meeting for that purpose was accordingly held at Leeds in March last, under the presidency of Rev. W. King, Chairman of the Association, when the Rev. J. P. Richmond was appointed Secretary, and James Patton, Esq., (Levis,) Treasurer. Meetings were also held in all the churches in Megantic, and also at St. Sylvester. The Rev. T. L. Ball has since succeeded the Rev. J. P. Richmond, as Secretary. The total amount contributed by the Megantic District Association, including proceeds of sermons, has been \$534.32.

PORTNEUF.

A meeting was also held at Valcartier in March last, for re-organizing the Portneuf District Association. The Rev. A. von Iffland was appointed Secretary, and G. B. Hall, Esq., Treasurer. Parochial meetings were afterwards held at Stoneham, Lake Beauport, and Portneuf. The want of direct communication between most of the Missions within this district renders its efficient organization a matter of great difficulty. Total amount received from the Portneuf District Association, \$47.57.

ST. MICHAEL'S.

We have had so many changes, owing chiefly to removals, within the last few months, that the amount of collections after sermons has been necessarily affected by them. Within the same period we have raised the sum of \$2,600 as an addition to our Endowment Fund; and this, being a special effort, has withheld me from making a special appeal on behalf of the Society's Pension Fund. I have, however, obtained about \$110. for it, and before the close of the semi-jubilee year I trust to be able to make some further additions to it. Total amount contributed by this Association \$427.31.

ARMINE W. MOUNTAIN.

ST. FRANCIS.

The total amount received from this District \$908.38.
