

**DEMAND FALLS OFF
ON FRUIT MARKET**

Liberal Deliveries of Seasonable Orchard and Vineyard Products.

BUYERS INDIFFERENT

Large Quantities of Grapes Offered—Prices Extremely Low.

The wholesale fruit and vegetable market was again very quiet yesterday; in fact, there was hardly any demand for anything.

Pears sold at 25c to 40c per 11-quart basket, while the very few Bartlett's went at 50c to 75c per basket.

Quantities of which there were large quantities on the market, went at 15c to 16c per basket.

Cantaloupes sold at 20c to 30c for the 11's and 40c for the 16's, a few of the latter going as high as 50c.

Most of the Canadian peaches shipped in yesterday were of very poor quality, and sold at 50c to 75c for the 11-quart flats, some better quality bringing \$1 per basket.

Plums sell fairly well, simply because the supply is limited—35c to 50c for the 6-quarts, and 70c to 85c for the 11's.

Pickling onions, gherkins and cucumbers are particularly difficult to dispose of; the onions yesterday selling at 25c to 75c per 11-quart basket, the gherkins at 30c to 50c, and cucumbers at 15c to 30c per 11-quart basket.

Clemens Bros. had a shipment of splendid tomatoes from A. Kelson, Niagara. H. Peters had a choice shipment of prunes from Chas. Lowrey & Sons, Queenston.

**STRONG REACTION
IN CHICAGO WHEAT**

Heavy Buying for Exports in Coast States Stiffens Market.

Canadian Press Despatch.

CHICAGO, Sept. 23.—Reports of immense export buying in the Pacific northwest gave the wheat market a sudden bounce today, just before the close.

As a result, prices finished strong, 1/4 to 1/2c above last night. In corn the outcome varied from 1/4c decline to a shade advance, and for oats from unchanged figures to 1/4c gain. The final range in provisions was 1/4c off to 1/4c up.

As much as 5,000,000 bushels of wheat was said to have been sold for export at Portland, Ore., in the last week, and an equal amount at Tacoma and Seattle. In addition, despatches from the Oregon city told of steamers there loading four or five hundred carloads of wheat for export.

The quality of the wheat offered for sale was worse than at any time this season. Out of the 500 fresh cattle of all classes there was not a single straight loin, and that could be classed as choice, and in fact we doubt very much if there was one load of good butchers' steers and hogs on sale, nearly everything being common and medium.

We heard of one or two that brought \$8.75 for Fowling's Canadian, and \$8.50 for Fowler's Canadian. Values were unchanged from those quoted for Tuesday's market.

A large number of stockers and feeders changed hands, and many of the latter were offered and sold at firm prices.

Calves, sheep, lambs and hogs were unchanged.

Butchers' cattle.
About 10 choice cattle sold at \$8.50 to \$8.75; loads of medium and poor \$7.75 to \$8.15; medium, \$7.50 to \$7.75; common, \$7.25 to \$7.50; inferior, \$6.50 to \$7.00; choice hogs, \$6.75 to \$7.00; good cows, \$6.25 to \$6.50; medium cows, \$5.75 to \$6.00; common cows, \$5.25 to \$5.50; choice lambs, \$6.75 to \$7.00; common lambs, \$5.25 to \$5.50.

Stockers and Feeders.
Choice steers, 200 to 300 lbs. sold at \$7.25 to \$7.50; good butchers' steers, \$6.75 to \$7.00; medium steers, \$6.25 to \$6.50; common steers, \$5.75 to \$6.00; inferior steers, \$5.25 to \$5.50; choice hogs, \$6.75 to \$7.00; good cows, \$6.25 to \$6.50; medium cows, \$5.75 to \$6.00; common cows, \$5.25 to \$5.50; choice lambs, \$6.75 to \$7.00; common lambs, \$5.25 to \$5.50.
