

At Simpson's Today--Good Values to Introduce Home Furnishings

Chintzes Birds, Blossoms, Figures Hundreds of New Designs

That Chintzes have lost none of their favor is evidenced by the beautiful art chintzes so artistically displayed in our extensive Drapery Department.

Combinations that beggar all description--ranging from the delicate tones for bedroom use to the rich rare shades for living-room or sunroom.

As to patterns--here birds flitting among the branches, there great blossoms bursting with color, or again a ravishingly Oriental pattern of ancient origin. Designs and colors to harmonize with practically every scheme for home decoration.

You will be pleased, too, with the moderate prices at 59c, 69c and 98c per yard, while shadow cloths in softly blended hues are priced at \$2.00 per yard.

You will want many things this spring to make your home more comfortable and attractive--suitable wall paper, rugs and curtain materials make a vast difference to the interior appearance of the home. There is not a need we have not anticipated. You'll find our array of new home furnishings replete with all that is new and beautiful. Prices will attract you as much as will the charming variety. To celebrate the occasion of the opening of these departments, we have arranged "special price" events for today's selling.
