

What are you going to receive as a Christmas gift, my pretty maid? Will it be some little article that will decorate your boudoir mantel for a period or something that will add charm and style and comfort to your costume-something useful as well as ornamental?

If it is a real sensible friend the gift will be a fur garment from Dineen's-a tie or muff or scarf.

And Dineen's label on the article makes it far more valuable than what it really appears to be, for Dineen is known for quality fors the continent over.

American Purchases the Stock of International Mercantile Agency Co. for \$2100.

The \$200 000 stock in the International Mercantile Agency sold on Saturday to Charles Henderson, New York, for \$2100. The sale was at Suckling's and was attended by Liquidator Longley and a who lives in Montreal, but the local of- office. ficers of the company were apparently there only as spectators. Mr. Hender-Mr. Langley will now proceed to re-life on the balance of the assets. There s \$10,000 in cash. Some of the shareis \$10,000 in cash. Some of the share-holders who are not paid up will be called upon. It is expected to realize went on the offices and furnishings of the different branches. The men who managed the company in Toronto, Winnipeg and elsewhere were expected to buy back the company, but it appears that it has fallen into American hands. The company was doing a good business, but bit off more than it could chew.

Differences Between \$500 and \$1000 Men Will Again Figure in Coming Elections.

E. Fielding, who had a prominent part in the election affairs of the Compercial Travelers' Association a year ago, writes The World as follows: 'As I know you are pleased to have latters of interest to commercial ravelers, I make bold to ask the pubcation of a short letter to our men

We who were elected last Deccr er had distinct instructions to work with the view of providing for .he reurn of the thousand dollar maximum mortuary benefit. "To provide information for the di

"To provide information for the directors to guide in their deliberations. I. as treasurer, furnished them at various times reports of the standing of the membership, and finally at the meeting in October, having prepared a more extended and definite statement showing the standing of our members as to age, and claims on the benefit fund, also a review of the financial condition of the association, asked that copies be furnished every member of the association with the amending bylaws. To the surprise of many members Messrs. Butler and Moody gave this determined opposition, and, assisted by the co-operation of the \$500 men on the board, revented it going out with the notice for amendments to the bylaws.

"I now notice that the two gentlemen above referred to and some others

men above referred to and some others have made up a ticket composed of all the old members of the board who were five hundred dollar men, and including several gentlemen vho have no sympathy with their movements without their consent, and call it a thousand dollar selection.
"I have asked Mr. Butler to join
with me in calling a joint meeting
to discuss the situation, but he has

declined.

"The investments made this year have been in bonds of good, solid towns bearing from 4¼ to 4½ per cent interest, some to run for 40 years, and no other class of debentures have been proposed by any one.

"If a few travelers will meet in the reading room of the association next Saturday afternoon at one o'clock I will try to present and give any information in the matter of our finances that I am in possession of."

STUDENT SUSPENSIONS CANCELED. Iniversity Discipline Committe

Deals With S.P.S. Trouble.

Some Impressions of Canadians That May Offend Somebody.

DOCA DU

Canadian Associated Press Cable London, Dec. 2.-The Outlook, on "The Loosening of the Empire," and reterring o Canada asking for power to make

The mere request implies the growth of Canadian conviction that Canada is not concerned with the interests of the city on Monday. King Edward will hold a privy council Tuesday.

Great British in Europe, and that smemus the prepared to work out her own political eastiny by herself, and for herself, in the sphere of American positics. Deep down in the national consciousness of the Canadian pepple is the idea that if a treaty of mutual preference cannot be made which the motience cannot be made which the motience cannot be made which the motience cuntry, then it must be arranged with the United States in order that inayounger polity may not be motessed during its growing inch.

Sir Frederick Policck, in The Nine-teenth Century, on Imperialism and Canadian Ophinomers of the Century, on Imperialism and Canadian Ophinomers of the Century on Imperialism and Canadian Ophinomers of the century of the control of the c of cant which might well offend self-re-specting Canadians and obscure our own perception of the facts."

own perception of the facts."
Referring to the proposed council of empire, Sir Frederick says:
"Our discussions in London had ruled out at an early stage all proposas which would invest the council of empire with any kind of compulsory authority to fix contributions for imperial nursess. Not only because it would ourposes. Not only because it would be a grave constitutional innovation at nome, but because there is no prospect of obtaining the consent of self-govern-ing colonies to the creation of such au-thority. That conclusion has been amp-ly confirmed by all I could hear trom one end of Canada to the other, but for a mere handful of enthusiasts who are still wedded to the old projects of imperial federation, but who are not

should not be scandalized if Mgr. Langevin champions what he believes to be the rights of Catholics.
