OWEN WESTFORD IS PLUCKY

Tripped on a Mat at the Royal and Broke His Collar Bone.

Nevertheless He Went to the Opera House and Did His Part in "A Man of Ideas" With the Roland Reed Company—Soldiers at Church—General News from the Ambitious City.

Hamilton, May 22.—(Special.)—Mr. Owen Westford, one of the Roland Reed Company that played "A Man of Ideas" at the Grand Opera House last evening, had to go through his part, that of Lesley Gadsby, "an imported stage director," with a broken collar bone. About 4 o'clock yesterday afternoon, as Mr. Westford was coming out of the new Royal Hotel, he tripped on a mat and in falling struck his shoulder against a projection. He had no idea then of the nature of his accident, and, although he was suffering, he went to the theatre in the evening to take his part. When he began to undress he realized that something was wrong and Dr. Mackelcan, next door, was sent for. The doctor saw the trouble at once and set the broken bone, so that Mr. Westford could go on the stage. This he did and got through his part with no sign to the audience of anything wrong, except keeping his left arm close to his side. Mr. Westford went to Toronto with the company and proposes to play through the Toronto engagement.

Soldiers at Church.

The 13th Regiment, the 4th Battery and the Veterans of Ridgeway attended divine service at the Centenary Church this morning. There were 376 members of the regiment and 35 batterymen in parade, and Lieut.-Col. McLaren was in command. Rev. Dr. Smith preached an eloquent and thoughtful sermon, in the course of which he expressed the opinion that the Anglo-Saxon race is destined to evangelize the world and teach the nations of the earth how to live.

Lieut. Morrison's Success.

Lieut. E. W. Morrison of the 4th Battery returned home to-day from the Kingston School of Gunnery, where he obtained an "A" certificate. He passed the examination most creditably and obtained the possible number of marks in three subjects. His percentage was the second highest obtained at the school in ten years.

Police Points.

Thomas Heraberry, King-street west, was arrested last night on a charge of stealing a pair of barber's clippers from Alfred Halford, John-street.

Mrs. Joseph Sutton, whose husband resides on McNab-street, and who was released from the jail yesterday morning, was arrested last night for breaking furniture in her husband's house.

Joseph McCamus, McNab-street north, and Joseph Wright, Rebecca-street, who were in the Saturday night riot a week ago and got clubbed, have been summoned on charges of interfering with and assaulting the police on that memorable occasion. The cases will be heard at to-morrow's Police Court. Sergt-Major Prentice is the complainant.

An Award for Bravery.

The chairman and Board of Investigating Governors of the Royal Canadian Humane Association have unanimously awarded a bronze medal to Conductor Samuel McMurray for his conspicuous bravery in saving the life of Motorman G. W. Cruise by risking his own life in freeing his comrade from a live telephone wire in Toronto on March 16 least. Had it not been for McMurray's prompt and brave action Cruise would undoubtedly have been killed.

Hamilton Association Officers.

The following are the newly-elected officers of the Hamilton Association: President, Dr. T. W. Reynolds; first vice-president, Mr. A. E. Walker; second vice-president, Mr. J. M. Dickson; corresponding secretary, Mr. Thomas Morris, jr.; recording secretary, Mr. S. A. Morgan, B.A.; treasurer, Mr. P. L. Scriven; curator, Mr. Alex. Gaviller; members of council, Dr. W. C. Herriman and Messrs. W. H. Elliott, B.A., W. A. Childs, M.A., Robert Campbell, W. A. Robinson; auditors, H. S. Moore and F. Hansel, D.D.S.

To Purchase Dundurn.

There is some probability of the aldermen considering the purchase of Dundurn Park, which is the property of Senator MacInnes. More than a decade ago the city had the opportunity of buying Dundurn at a very low figure, but it let the chance slip by and the neglect has been frequently regretted ever since. The present value set on the property is $60,000, and it is suggested, in the event of consideration being given to the proposal, that the purchase be made by annual payments, in the way that Woodland Park was obtained.

Among the Churches.

The members of the city Sons of England Lodges this afternoon, accompanied by members of sister societies, attended divine service in All Saints' Church. The S.O.E. Band headed the procession, which was a good-sized one. Rev. Bro. Herbert G. Miller preached an appropriate address on the reign of Victoria the Good. The band furnished special music.

His Lordship Bishop Dowling held a confirmation service in St. Lawrence Church this morning.

Rev. Dr. Potts preached special educational sermons in Hannah-street Methodist Church to-day.

Rev. C. E. Eaton of Toronto preached at both services in James-street Baptist Church to-day.

Rev. T. T. Broad of Sheffield, Eng., preached at Wesley Church this morning and at Centenary Church this evening.

Rev. E. W. Waits of Owen Sound was the preacher at Knox Church to-day.

Minor Mention.

A concert was given in St. Paul's school room yesterday afternoon in aid of the funds of the Ladies' Aid Society of St. Paul's. The attendance was not large. Those who contributed to the programme were: Mesdames McArthur, Vallance and Fenwick, Misses Macdonald, Miss Carey, Miss Spring, Miss Bickle, Miss Osborne and Miss McKenzie.

The committee appointed by the Hamilton Presbytery last week to investigate the organ trouble in Muir's Settlement congregation went out there yesterday to enquire into the why and wherefore of the discord.

A Russell-road roller has been brought to the city and it is being tried on some of the streets to see how it compares with the Pitts roller.

A day or two ago as Mr. Alex. Gray was leaving the Massey-Harris Works, where he is employed, he was struck on the jaw by a pitched baseball. The jaw was broken. The accident occurred through men playing ball in the company's yard.

During a quarrel on Friday afternoon on the Indian reserve, near Brantford, it is alleged that Chief Peter Powless, uncle of Mr. Brant-Sero, this city, clubbed a young Indian, Cal. Martin, a cousin of Dr. Oronhyatekha, over the head and knocked him senseless.

As there is no rifle range here now, 80 of the 13th Battalion's crack shots may have to journey to Toronto to do their share of shooting in the first match of the Military Rifle League series, set for next Saturday.

Mr. James Jobson, 211 Caroline-street south, has fallen heir to a considerable estate at Glenboy, County Westmeath, Ireland, through the death of his uncle, Henry Sherwood.

Three or four freight cars were thrown off the T., H. & B. track this afternoon near the Y that connects with the Grand Trunk Toronto branch. The cars were being shunted.

"GOLD BRICKS CHEAP"

If you are looking for that sort of investment, "cheap" dentistry should recommend itself.

Something is wrong with dental work if the price asked is too little.

Our charges are little more than the lowest—but that little marks the difference between good and bad. Between satisfaction and disappointment.

Here are some for comparison:

No Flattery Accepted.

De Mille: If there is one thing I detest, it is flattery.

Measley: That's so! As I was saying to Snigleton the other day; De Mille is generous to a fault, but he cannot stand flattery.

De Mille: By the bye, Measley, I'll just draw you a cheque for that little amount. No thanks, my dear fellow.
