

SHE PATIENTLY BORE DISGRACE

A Sad Letter From a Lady Whose Husband Was Dissipated.

How She Cured Him With a Secret Remedy.

"I had for years patiently borne the disgrace, suffering misery and privations due to my husband's drinking habits. Hearing of your marvelous remedy for the cure of drunkenness, which I could give my husband secretly, I decided to try it. I procured a package and mixed it in his food and coffee, and as the remedy was odorless and tasteless, he did not know what it was, but he gradually recovered his health, and his appetite for food returned. He is now a happy man, and I am free from all my troubles. I have written a full and complete letter giving full particulars, testimonials and price sent in plain sealed envelope. Correspondence sent to: Address THE S. A. R. & M. CO., (Dept. 18), 23 Jordan Street, Toronto, Canada. Also for sale by Geo. A. Bingham, 100 Yonge Street."

ASK GOVERNMENT FOR NAVAL RESERVE

British Empire League Executive Also Endorses Chamberlain.

At a meeting of the Executive Committee of the British Empire League in Canada, the following resolutions were adopted:

Moved by G. R. C. Cockburn, seconded by John T. Small:

"The Executive Committee of the British Empire League in Canada desires to convey to the Right Hon. Joseph Chamberlain, M.P., its appreciation of his vigorous and determined advocacy of the principles for which the league in Canada has so long contended, and ventures to express the hope that before long his efforts will be successful."

Moved by J. M. Clark, K.C., seconded by Alfred Baker:

"In view of the important position now going on affecting the whole subject of imperial relations, and the urgent necessity that some definite action should be taken by Canada, both for national and imperial defence, the Executive Committee of the British Empire League in Canada respectfully asks the government of Canada to fulfil the promise publicly made some years since by the then Minister of Marine, that a naval reserve would shortly be established, and to earnestly request that a sufficient sum be inserted in the supplementary estimates of the present year for the establishment of such a force."

Will Round Up the Tramps.

Milton, Sept. 25.—County Attorney Matheson has issued instructions to all Halton county constables to arrest all tramps who are in the county, and bring them before magistrates. The magistrates have been instructed that in any case in which they think it advisable they are to commit the tramps to jail for trial by Judge Gorham. This order should soon rid the county of hoboes.

WHITE MAN KILLED NEGRO SENTENCED TO 5 YEARS

Colored Folk Think He Should Have Been Found Guilty of Murder.

Windsor, Sept. 25.—"Guilty of manslaughter" was the verdict returned at 11 a.m. by the jury in the case against Oliver Richardson for the murder of a colored man, Edward Matthews. The jury deliberated an hour, and the jurors holding out for a verdict of manslaughter. Chancellor Boyd immediately sentenced the prisoner to fifteen years in the Kingston Penitentiary.

When asked by the judge if he had anything to say why sentence should not be passed on him, Richardson replied that he had tried to settle the dispute amicably between him and Matthews, but all reasonable efforts were futile.

When sentence was announced, Richardson dropped his head and wept bitterly. His wife, who was sitting beside him, embraced him and kissed him a number of times. Richardson is now 40 years old. The verdict was received with satisfaction by the white people, but the negroes were disappointed, declaring openly that Richardson would surely have been found guilty of murder had he killed a white man.

In his charge to the jury, Chancellor Boyd commented at length on what constitutes murder, manslaughter and justifiable homicide. He also told the jury to pay little attention to the evidence of the Richardson, intimating that the testimony of Andrew Thompson, a disinterested eye-witness, was more trustworthy. THOMPSON SAID THAT MATTHEWS DID NOT ATTACK RICHARDSON UNTIL AFTER HE HAD BEEN SHOT.

Canada Wants 30,000 Mechanics Says Our Commercial Agent in Britain, Telling of Labor Situation.

"The Midland Express" of Birmingham, Eng., has been interviewing B. B. Ball, Canada's commercial agent there, and Mr. Ball is reported to have said, among other things:

"Canada to-day stands hungry for at least 30,000 skilled mechanics, at wages running from 5s. to 8s. a day. The one reason that the manufacturers have not been able to enlarge their works has been an absolute dearth of workmen who are working night and day now, and if they could get the men who could double their capacity. But, as is the case all over the world, the workmen want to be the boss."

"Of course, an Englishman going out there would not at once earn the same wages as the highest class workmen. He has to get accustomed to modes of doing business. Perhaps we are slightly in advance in machinery."

"Remember, there is good steady work, certainly at wages as good as, or better than, in England, in a country where the conditions of life are better, where education is free, where the shops are well stocked and well lighted, and where a man has opportunity of getting better and becoming something better than an employee all his life."

DIG ORDER OF CARS.

Montreal, Sept. 25.—Orders were placed to-day with the C.P.R. for 30,000 worth of rolling stock. This is the largest order ever given at this time by an American railway. The cars will be built at the Hochelaga shops here. The order is for five diners, 15 sleepers, 25 first-class passenger coaches, 25 tourist cars, and six suburban cars.

Blinded by Tomatoes.

Dayton, O., Sept. 25.—By the explosion of a can of tomatoes, which she had just opened, Mary Rapp was permanently blinded to-day. She was leaning over the can and passing a hot iron over the sealing wax, when the lid suddenly blew off and the hot contents of the can were hurled into her face. Her condition is quite serious.
