### Recommended For Epilepsy by the B. P.

The British Pharmacopea recommends such medicines as asafoetida, iron bromide and nux vomica, as combined in HACKING'S HEART and NERVE REMEDY for General and Local Paralysis, for Tubercular Diseases, Subacute or Chronic Diseases of the Chest, Subacute and Chronic Bronchitis, for Epilepsy, for Affections of the Spinal Chord and Chronic Heart Disease. The dose being small, a thorough course of treatment should be resorted to in order to get beneficial results, people who have been alling for a long time should not expect a cure in a few weeks, although improvement will weeks, although improvement will be noted soon after taking this valuable remedy. You should be particular about getting the right kind—HACKING'S, 50c a box, 6 for \$2.50, at all dealers, or by man postage paid. C. B. Hacking. Phn B. Listowel.

### HEROES FROM VIMY AND LENS BATTLES HOME LAST NIGHT

Forty-Four Invalided Men Given Warm Welcome.

Invalided soldiers to the number of 44 sent back after "carrying on" in France and England, arrived at the C. P. R. Richmond street station at 7:30 last night.

In accordance with the new plan in use since the establishment of a clearing depot here, several of the eleven Londoners went to their homes with relatives, directly from the station. The remainder of the party, taken in motors to the Princess avenue barracks, were officially wecomed there by members of the various public bodies and organizations, assisted by the band of the list Depot Battalion, W. O. R.

One of the features of the clearing lepot that lends perhaps more than anything else a homelike atmosphere to the place is the fact that men's relative to the place is the fact that men's relative to the place is the fact that men's relative to the place is the fact that men's relative to the place is the fact that men's relative to the place is the fact that men's relative to the place is the fact that men's relative to the place is the fact that men's relative to the place is the fact that men's relative to the place is the fact that men's relative to fully support to fully the matter's staff of the 33rd Band.

The executive committee presented a set of rules which it had prepared. These were ratified by the meeting.

Brig.-Gen. Shannon said there would always be a warm spot in his heart for the men of the 33rd, which it had prepared. These were ratified by the meeting.

Brig.-Gen. Shannon said there would always be a warm spot in his heart for the men of the 32rd, which it had prepared. These were ratified by the meeting.

Brig.-Gen. Shannon said there would always be a warm spot in his heart for the men of the 32rd, which unit, he asserted, was one of the best that ever left Canada. The general said he felt sure that had the battalion been allowed to go over as a unit it would have made a great name for itself, Perhaps it might have become more famous than it is. He was pleased with the idea of forming a social club, where the battles over again.

Men Welcomed.
Following the supper the men were welcomed by Ald. Watkinson and Ald. Wilson, Sergt.-Major Bullen and J. W. Cunliffe of the G.W.V.A., Rev. H. D. Moyer. Ensign Snowden, Ed. Lance and J. J. Foote.

he London men in the party.

LONG SERVICE MEDAL

Sergt-Major W. J. White (W. O.), of the Royal Canadian Regiment, this city, has been awarded the long service and good conduct medal, according to an announcement in district orders. Sergt-Major White is at present engaged in instructional work here. He recently returned fro moverseas service with the 18th Battalion, of which he was battalion sergeant-major. He is one of the most popular of London's soldiers, and previous to the war saw long service in this city as a member of the Royal Canadian Regiment.

He London public library, addressing the girls. Miss Gemmill, the president, was in the chair.

Miss Stanley spoke on nursing as a profession, going into the history of nursing and showing its development along modern lines. She made clear the requirements of a good nurse, explaining the executive work and line of study necessary, and pointing out instances where nurses had reached the top of the ladder in their profession, and how they did it.

Miss Gahan gave an account of library work, explaining fully what was necessary to obtain an entrance into this work, and mentioning the library work as carried along the lines suggested in the library work as carried along the lines suggested in the library work, as carried along the lines suggested in the library work as carried along the lines suggested in the library work as carried along the lines suggested in the library work as carried along the lines suggested in the library work as carried along the lines suggested in the library work as carried along the lines suggested in the library work as carried along the lines suggested in the library work as carried along the lines suggested in the library schools.

After the meeting was adjourned afternoon tea was served.

### DISTINGUISHED ANGLICAN PRIMATE IS INVITED TO LONDON BY BISHOP

Archbishop of York Urged To Come Here During Canadian Tour.

Members of the Anglican communion of the city are expressing hope that it may be possible to secure a visit to London of one of the Empire's most distinguished ecclesiastics, the Right Honorable and Most Reverend Cosmo Gordon Lang, Archbishop of York, who is at present paying a visit to the United States, and, it is stated, will spend the month of April in Canada. The Bishop of Huron, it is understood, has written to the Archbishop of York inviting him to honor London by a visit.

The distinction acceptance of the in-Members of the Anglican communion to honor London by a visit.

The distinction acceptance of the invitation would confer upon the city and diocese is appreciated when it is realized that the Archbishop of York is one of the two heads of the Church of England for Great Britain, and, indeed, the Archbishop of Canterbury and Archbishop of York are recognized as such throughout the Empire by virtue of the fact that they are primates of the mother church.

If the visit of Archbishop Lang can parts of the diocese will make a point of coming to London at the time.

Not in all the years of its history has London had the honor of receiving a guest of such high ecclesiastical rank in the Church of England. The last distinguished prelate from overseas to in the Church of England. The last distinguished prelate from overseas to pay a visit here was Rt. Rev. Winnington Ingram, Bishop of London, beloved for his own personality as well as deferred to for the position he holds as Bishop of Old London diocese. The impressiveness of the service held in St. Paul's Cathedral on the occasion of his visit some ten years are and the direction.

# Eavesdropping Among the New Millinery

"Smallman & Ingram" Millinery has the charm a woman of taste delights in. Simplicity, the beauty being in the line. Ravishing beauty it is, too-an upward sweep, a coquettish tilt, a bewitching, demure droop. Color blendings that show the hand of the artist, so exquisitely soft and rich are they. Trimmings that give individuality.

Today the formal showing opens for the new Spring season in this store of moderate priced Millinery, representing many charming copies of Paris hats, the originals of which came direct from Paris and have been used to fashion a special collection of particularly lovely modes-street hats, country and sport hats, garden hats and hats for your girls.

# The New Spring Suits Are Here

This is good news to a great many women, for we have been asked many times to tell when they would arrive. And now being complete we announce, in conjunction with the millinery opening a reception for all those who would receive first-hand information upon styles that are and are to be. Without giving you all the details we invite you to be among the first to enjoy these splendid examples of the best

Suits shown in tailored lines and in belted styles, lengths varying from 28 to 32 inches, pointed sides and back, with shorter or uneven fronts, pleats showing in

Ladies' suit shown in castor-color gabardine; coat in belted style, vestee and collar of novelty cloth, Tuxedo collar, pleated back, silk lined; skirt panel back, side 

Ladies' suit in sand-color serge, style in plainer tailored lines; coat shows Tuxedo collar of self with outer white collar, tail ored sleeve, pleated at back from waist, slashed pockets, silk lined; skirt two-piece, slashed pockets, self belt. Price \$45.00

Misses' Suit of shepherd-check worsted; coat has notched tailored collar, all-around belt, button trimmings, pearl buckle finishing belt, slashed pockets, silk lined; skirt two-piece, all-around belt. Price...... \$45.00

Other styles in great variety of cloths and colors. From .......\$18.50 to \$60.00

# Spring Coats For Women

MODELS AT THEIR BEST FOR EASTER

Coats that present all the successful style themes of spring are assembled in absolute completeness.
