Stratford Midgents
Lose In Finals, 0-2

TORONTO, March 9.—Toronto Canoe Club won the O. H. A. junior championship here tonight by defeating Stratford by 10 to 2. The visiting juniors were expected to give the local team a strenuous argument on the ice, but they were outclassed by the speedy paddlers. A monster crowd was present in anticipation of a close contest, and long before the game began fans had lined up to buy the standing-room tickets. A large delegation had come from the Classic City, to witness the final game in the series. The one-sided score was as much a surprise to the local fans as to the Stratfordites. The visiting team was not in good form and seemed to be suffering from stage fright. Stratford's much-raunted team play was not in evidence tonight. Frank Carson, the right wing, was the bright star for Stratford, but his plucky playing right to the end of the game he won many friends here.

Knockouts Are Plentiful At
Pelkey's Third Boxing Card

WINDSOR, March 9.—Refusal of Charlie Ross of Brantford to enter the ring at the last moment resulted in a technical knockout for the Canadian champion, knocking out Terry James of New Castle by a technicality at the Pelkey Arena, Ford City. "Jockey" Al Mott of Windsor took the count in the fifth stanza of a scheduled six-round go. Ted Lafave and Kid Currie of Detroit went four rounds to a draw. In the words of Arthur Pelkey, the Brantford boy "got cold feet," and James, with only a few hours' notice and no training entered the ring, but up a grand battle, and after being knocked across the ring three times early in the fight, to be saved by the ropes and gone. Referee Mullen stopped the fight in the eighth round. Mott, in attempting a "comeback," rushed the fighting until the fifth round when he was caught with vicious short right and left jabs to the chin and took the count.

PRESTON OUTCLASSES
OWEN SOUNDERS IN
FIRST N. H. L. GAME

PRESTON, March 9.—The first game of the series between Owen Sound and Preston was won easily by Preston by a score of 3 to 1. The north-erners were outclassed throughout, the locals' dizzy pace dazzled them and they were completely lost. Half the time they had only one defence man back, and the locals got through, and there was only the goal tender to pass for a goal. Preston opened up with the scoring, tallying four in the first period, two of them on lone rushes, one by Woodley, and the other by Kreson. In the second period the visitors got their bearings and held Preston to one goal. The third period opened up with the locals scoring in two minutes, and three more followed. Owen Sound got their only goal by an off-side play, three minutes before full time. For the locals Woodley starred. His great speed, combined with back-checking and clever stick-handling got him four goals. Clark on the defence was watched all the time. Ware and Roth and Preston also played their usual good game, and Pink helped Fligg in keeping Owen Sound clear. For the visitors Kreutzweiser was the best.

The line-up:
