Hopple Record Barred.
CHICAGO, Feb. 12.—At the annual meeting of the American Register Association, held at Chicago during the past week, a motion was carried providing that hereafter hoppled pacers will not be recognized by the association and that records made by them shall be rejected.
At the annual meeting of 1907, a resolution was unanimously adopted that after 1907 records made by horses performing in hopples should not be recognized, final consideration of the matter on the part of the stockholders being deferred until the meeting held this week. At that time the resolution was affirmed, with the following addition: Hopple Record Barred.

"Whereas it is the belief of the stock-"Whereas it is the belief of the stock-holders and directors that the use of hopples on horses in trotting and pacing races is a disgrace and an injury to the whole trotting and pacing horse interest.

103 and that such use should be discouraged in every possible way, therefore it is here-by resolved that in its desire to discountenance such use of hopples on horses in races this association shall hereafter, so far as in its power lies reject all reraces this association shall hereafter, so far as in its power lies, reject all records made by horses using hopples, in races or otherwise, for the purposes of regulation. As it is recognized that without the help of the American Trotting Association and of horsemen in general little can be done in the way of abolishing hopples, the co-operation of the two trotting. ples, the co-operation of the two trotting associations and of all horsemen is earnestly asked."
