

Another Win For the Eel

NOTE AND COMMENT

The report that the Montreal Federation at this juncture desires to bury the hatchet is likely only an echo of their anxiety to have Bobby Kesteven at the alleged Canadian championships on Saturday.

The Irish-American Athletic Club of New York must have been guaranteed a pretty good inducement, for they have decided to send seven champions to Montreal to compete in the Federation championships next Saturday, that go on record in J. J. Sullivan's almanac as Canadian champions.

Marathon races have become epidemic across the line since John J. Hayes won the historic event in London last July. Three races are scheduled in the east this year. On Oct. 2 there will be a Marathon race at Brooklyn, Mass., where will come Newark, N.J., which is planning one of the biggest events of this kind ever held. Next comes the annual race at Yonkers on Thanksgiving day, which Hayes won last year. But none of them will equal in speed or quality the contest on Oct. 2 at Ward Marathon over the Lake Shore course a week from next Saturday.

Meanwhile the real winner of the Marathon is in dispute. In Milan, long race, organized by the Secolo, in honor of Dorando, the Italian, who failed to win the race at the recent Olympic games in London, was run on Sunday. It drew an immense crowd. Athletic interest in this country has been long keen on the competition for the title of the "King of the mile," and the race was a masterpiece of organization. The race was won by Dorando, who was followed by a long list of runners, including Sir Thomas Lipton, who gave prizes for a music hall representation of the Marathon.

Harry Bethune, at one time short-distance champion runner of the world, and the man who set the 100 yard mark in 9.4 seconds, and time and again repeated the feat, was sent to jail in Montreal yesterday for one month on a charge of having stolen a scarf pin. Bethune has become a common vagrant. A medical examination eliminated a number of the runners. The course was 42 kilometers in length. The race was won by Dorando in 2:54.6. Franchin of Milan was second.

At Columbus, O., yesterday afternoon, the Canadian pacifier stallion, The Eel, 2:04, won the 1000 yard race, beating the great Hedgewood Boy, 2:02, the old campaigner, Baron Grant, 2:04, and the fast mare, Lady, 2:05. The time of the race, 2:04, 2:05, and 2:05, does not create a record of any kind, but it is a rare occurrence in this line of stables that a horse has won the season without a record and winds up by winning the free-for-all class, and in doing the race, he has captured from Tavistock, Ont., may fairly be called the champion.

Owner Frank Entenrich is to be congratulated upon owning such a good one, and all credit is due to the Canadian drivers, Dan McEwen of London, for bringing the pacer to such a state of perfection. The Eel is entered in the \$3000 Tennessee Stakes for 2:06 class, which will be raced at Lexington, Ky., Oct. 4, in which he will again make a sensational western pacer. Minor Hail, 1:58, and it is a rare occurrence in this line of stables that a horse has won the season without a record and winds up by winning the free-for-all class, and in doing the race, he has captured from Tavistock, Ont., may fairly be called the champion.

Talking about the races, should the habitue suffer a mental aberration some day he could put his hands in his pants on recovering in the evening, feel a wad and rightly conclude that he stayed away from the track.

There are cubbing clubs and quoniam clubs, but the Maple Leafs of Toronto took the biggest that ever organized, with their open picnic grounds at Kew Beach, beside the fire hall on Queen-street, now getting the finishing touches of leveling and sodding. The picnic grounds of the Maple Leafs field will be truly a thing of beauty and a joy forever.

The kaleidoscope changes in the big league baseball finish was marked yesterday by Pittsburgh coming up beside Chicago in the National, New York staying ahead by the slightest margin. It is still Detroit, Cleveland and Chicago in the American.

It is because the president of the Eastern League does not desire to split hairs over the fact that New York City is a city of the future, that the Giants in their controversy with Chicago over that disputed game.

John T. Bruhl, president New York Baseball Club, sent Mr. Powers a request for his opinion upon the line in question, the answer being as follows: "The line I would have up before me for a decision I would have decided instantly that the same rightly belonged to the New York club, regardless of the later report of the umpires. My reasons for so deciding would be because of the fact that the player scoring the winning run was on third base when a clean base hit was made and the batsman making the same reached first base safely. As I understand the law that has been in written law that when a winning run is scored as above the game shall end and no attention is paid to the other base runners. In 99 cases out of 100 they hesitate between the bases, waiting to see if the run is safely scored, and then start the club house to avoid the crowd. No objection to that has ever been called to your knowledge, to the attention of league officials heretofore, and it is unreasonable and unfair to suppose that when an ordinary safe base hit is made it is possible to throw a runner out who is approaching any of the other bases. Therefore, I am in favor of the line in this case. Furthermore, at this stage of the championship race, the changing of the French Federation of the point of play should be considered.

HITS HANLON AT WILL

Owen Moran, English Featherweight, Wins Twenty Round Battle.

SAN FRANCISCO, Oct. 1.—Owen Moran, English featherweight, last night won the decision over Eddie Hanlon by a light weight, after twenty rounds of fighting. Despite a disparity of eight pounds in favor of the Californian, Moran had the better of the fight from start to finish, and only in one round did Hanlon have the advantage.

Moran started in to make his fight from the tap of the gong, and kept cutting Hanlon until the contest ended. In the very first round he landed a right punch to the face, which he varied with solid rights to the body. Hanlon was no match in defense for the Englishman, and soon realized that his only hope of ultimate victory lay in close range.

Moran, however, was not caught napping, and kept up a merciless peppering of Hanlon until the contest ended. In the very first round he landed a right punch to the face, which he varied with solid rights to the body. Hanlon was no match in defense for the Englishman, and soon realized that his only hope of ultimate victory lay in close range.

GIANTS WIN AND LOSE CUBS TIE FOR SECOND

Real Fight for Pennant Begins in American To-Day When Four Leaders Clash—The Scores

Yesterday saw a slight change in only one of the leagues, Chicago by defeating Cincinnati during Pittsburgh for second in the National, the latter team not playing. New York split even in a double-header with Philadelphia, and are now only two points to the good.

To-day may see a change in the National, as Pittsburgh plays a double-header at St. Louis, likewise the Cubs at Cincinnati. These teams enjoyed a day of rest yesterday, but begin to-day a strenuous series of five games that will decide the pennant.

PRIZES AWARDED AT ST. ANDREW'S

Notable Gathering of Friends of Higher Education at the Rosedale College.

Price day at St. Andrew's College, North Rosedale, proved a most successful event yesterday, both from the collegiate and social standpoint. The assembly hall was thronged by friends of the institution so that the students had to stand at the address as best they might from the corridors.

The principal, Rev. D. Bruce Macdonald, in welcoming the audience, had nothing but good news to relate. The capacity of the college was now overtaxed and success had attended the efforts of the graduates of the college at the university and elsewhere.

Miss Thomson and Mrs. C. Mussen Play for Championship To-day

Miss Harvey Wins Putting, While Interprovincial Match Will Be Played To-day—The Scores and Draw.

The east will again have the championship of the Royal Canadian Golf Association, this being decided this afternoon at Lambton, when Miss Thomson of St. John meets Mrs. C. Mussen of Montreal in the finals of the ladies' golf tournament.

Both ladies won their matches yesterday, although Mrs. Fitzgerald of Lambton gave Miss Thomson her hardest match yet. Mrs. C. Mussen had a close match with Mrs. Rodger, winning by 2 up and 1 to play.

In the first consolation Miss Taylor of Montreal defeated Miss Hanbury-Williams, and to-day will meet Mrs. Brown of Lambton in the finals. Two Toronto golfers—Mrs. Ridout and Miss A. Wright—are in the finals for the second consolation, while yesterday in the third consolation Mrs. Stikeman won the championship by defeating Miss Baillie.

The ladies' putting and putting competition was won by Miss Florence Harvey of Hamilton, the ex-lady champion. There was a tie for second place between Miss Deftis of Lambton and Miss Greene of Montreal, which will be played off later.

The competitions were held at the seventh, eighth, ninth, or tenth green, and the fourth and fifth green. At the dawn of the morning the sun was shining across the stream. At the creek green there was a short approach of 40 yards. At the other green there was a long approach of 100 yards.
