cured her absolutely, and her other, Mrs. G. Stanhope, of Rothesay nt., says the following: "My daughter complained of feeling ired. She was very pale and listless and

kept losing strength till too weak to attend school. The doctors prescribed different bottles of medicine, but Elaine kept getting worse instead of better. She had Anaemia and we were afraid for a while that she might never rally. We read of a similar case, that of Miss Descent, of Stirling, Ont., being cured by Ferrozone, and this induced us to get it for Elaine. It took three boxes of Ferrozone to make any decided improvement, but when every decided improvement, but when every any decided improvement, but when six boxes were used my daughter was begin-ning to be her old self again. It didn't ning to be her old self again. It didn't take much longer to make a complete cure, and I am convinced that there is no better blood-maker than Ferrozone. It has made a new girl of Elaine. She has gained ten pounds in weight and looks the picture of perfect health. She is stronger and enjoys the best of spirits. The credit of her

recovery is entirely due to Ferrozone."
