**SON OF REV. DR. J. A. GORDON IS KILLED IN WAR**  
Lieut. Walter, Formerly a Montreal Newspaper Man — Was Born in St. John

News has been received in Montreal that Lieut. Walter H. Gordon, youngest son of Rev. Dr. J. A. Gordon, has been killed in action. Lieut. Gordon was born in St. John twenty-nine years ago and previous to enlisting was engaged in journalistic work here on the Maritime Gazette and Journal of Commerce.  
Lieut. Gordon is survived by his parents and by four brothers, John P., of Charlotte town, P.E.I.; Dr. A. H., of Montreal; P. W., of Calgary and H. S. of Winnipeg.  
Lieut. Gordon was a popular McGill graduate and newspaper man, who rose from the ranks and obtained his commission in the field only two months ago. The news of his death reached Montreal yesterday in the form of an official message from Ottawa via his brother, Dr. A. H. Gordon.  
A slender ground for hope is offered by the fact that Lieut. Gordon is reported attached to the infantry service, whereas he enlisted with the artillery and was still with that branch within the last month, according to letters received by his family and friends, but the use of the unusual middle name and the receipt of the tidings by Dr. Gordon, who was recorded as next of kin in the official list, leaves only the barest room for doubt and it seems only too likely that one of the most lovable, genial and promising of Montreal's young soldiers has laid down his life for Canada and the cause of humanity.

**NEW BRUNSWICK MAN IS DROWNED**  
One of Five Who Lost Lives in Abitibi River  
Halleybury, Ont., Nov. 6.—Five men were drowned in the Abitibi River, near Twin Falls, on Thursday. A scow loaded with timber and carrying twelve men was being towed by a launch, when it crashed into a hidden rock, capsizing the launch. One man, an employee of the Canadian Stewart Company, met death in a heroic effort to save the other men. The others were employees of A. W. Henessey, of Malleybury—John Duke of West Meath, near Pembroke, Dan Couvrette of New Brunswick were two of the victims.

**NO PAY FOR TEACHERS FOR TIME LOST WAITING FOR NEW MONCTON SCHOOL**  
Moncton, Nov. 6.—The N. B. Board of Education has declined to grant the request of the Moncton School Board to give the Aberdeen school teachers the government allowance for nine days which they lost at the beginning of the present school term because the new building was not ready for occupation. The Moncton board has adopted a resolution regretting this action, and asking reconsideration.

**HE BUILT PART OF THE I. C. R.**  
Moncton, N. B., Nov. 6.—Jacob W. Steeves, who died in Elgin, Albert county, on Friday night, was a well known railway contractor. He had a contract for building a part of the I. C. R., also branch lines in the province, including the Upham and St. Martins Railway. He was eighty-two years old, and is survived by two sons, Hamilton G., of Elgin; Jacob, of Vanceboro, B. C., and three daughters, Mrs. W. M. Stiles, of Elgin; Mrs. O. C. Graves, of Petticoatic, and S. M. Starratt, Honolulu.

**CADET CORPS TO CHURCH**  
The St. Stephen's and St. Andrew's Corps, under the command of Major Magee and Color-Sergeant W. H. Vail, paraded to St. Stephen's church last evening, and Rev. Gordon Dickie, chaplain of the St. Stephen's corps, preached to the boys. He referred very feelingly to the death of Lieutenant W. Gordon Kerr, a former member of the St. Stephen's Cadets, when they were known as the Boys' Brigade. The cadets made a fine showing as they marched along, headed by their band. Many of the St. John boys, who are now fighting the empire's battles, were former members of these corps.

**STRIKES ARE ENDED**  
Portland, Ore., Nov. 6.—T. V. O'Connor, president of the International Longshoremen's Association, left last night for San Francisco en route home with the announcement that his work on the Pacific coast was completed with the signing of an agreement for the settlement of the longshoremen's strike in Portland.  
All longshoremen's strikes on the Pacific are now at an end. They began last June over the entire coast.

**TOMORROW'S ELECTION**  
The people of the United States do not vote directly for president, but for presidential electors, who cast their ballots according to the party which they represent. There are 531 of these electors, comprising what is known as the electoral college; 293 votes are required for election. In 1912, although securing less than half the popular vote, Wilson had 485 electoral votes, Roosevelt had 88 and Taft eight.  
**COUNCIL POSTPONED**  
As all the members were unable to be present, the committee meeting of the common council, which was to have been held this morning, was postponed until tomorrow morning.

**WELCOME TO OFFICERS AND MEN OF 222ND**  
Lt. Col. Lightfoot's Winnipeg Battalion Distributed Among Four Places

The 222nd Southern Manitoba Battalion, which arrived in the city last evening, but did not detrain until this morning, made a fine showing on their march from the station to their quarters, which include practically all the barracks in the city. There are 425 of the men quartered in the Immigration building on the west side, 123, including the staff, at the Martello Hotel, west side, 240 on Partridge Island, and about 200 in the armory, in all the unit has a total strength of about 1,000.  
At the station the men were met by the mayor and the citizens' reception committee, Lieut. Col. Powell of the headquarters staff, including A. O. Skinning, E. L. Rising, A. S. Clouston, F. L. Potts, Lieut. Col. Sturdee, Commissioner Russell and Commissioner McLellan.  
The mayor, in addressing the men, said that he wished to extend to them the heartiest of welcomes on behalf of the citizens of St. John, and that he felt sure that everything possible would be done by the citizens to add to the men's comfort. This was followed by three cheers from the men, immediately followed by selections by the battalion band, which is considered by those who had the pleasure of hearing it, one of the best musical organizations that was ever heard in the city. The battalion has also a bugle band which also ranks with the best.  
The colonel of the battalion, Lieut. Colonel James Lightfoot, is a returned soldier, having gone overseas with the first contingent as a member of the 10th battalion, and while fighting with the unit in the battle of Langemarck was wounded in the left knee. While he was convalescing at his home in Winnipeg he was authorized to raise the battalion that he now heads. In speaking of happenings at the front, he said that he took Lieut. Colonel P. A. Guthrie, who was at that time attached to the 10th battalion, into the trenches for his first time.  
The 222nd battalion was authorized on Feb. 25, and in just ten weeks from that date he had his battalion recruited to full strength. Captain J. W. Bingham, commanding officer of "C" company, is also a former member of the 10th battalion. He was overseas with the 22nd battalion, and was later transferred to the 10th.  
Lieut. Grant is another returned soldier. He was a member of the 10th also, but was a sergeant-major at that time.  
The battalion's machine gunners were the best at camp Hughes, and were the winners of a number of prizes for the best machine gunners' camp. The shooting of the battalion is also of high class, and won second place in target shooting while in camp.  
The ladies of the city, patriotic societies purpose serving the boys of the unit this evening with refreshments, which undoubtedly will be appreciated by them.  
It is the purpose of Lieut. Colonel Lightfoot to have a route march around the city in the course of a few days, so that the citizens might get a chance to see his battalion, as the unit was broken up this morning owing to the fact that the men were marched to various quarters direct from the station.

**PARKS HOME SOLDIERS TO MAKE EXHIBIT OF WORK**  
Now that a new work shop has been added to the Parks Convalescent Home and several new work benches have been placed in the square of the home, especially those who have experience in wood-working, feel that they would like to make an extra dollar, by taking in outside work. The work will all be done under the supervision of Mr. Elton, a man of more than twenty years' experience and who knows the business from A to Z.  
In the course of a few days several pieces of work made by the boys will be placed on exhibition in the store window of John deAngelis, on the corner of King and Charlotte streets.

**INCREASED PAY FOR FREIGHT HANDLERS**  
A committee representing the New Brunswick Freight Handlers' Union waited on H. C. Grout, general superintendent of the C. P. R. New Brunswick division, this morning, and after a conference reached an agreement with him regarding new rates for a year commencing November 20, when a former agreement will expire.  
The new scale of wages is as follows: Thirty cents an hour day and night, with double time for Sundays, holidays and during regular meal hours. For the last three years the men were getting twenty-five cents an hour and in addition were not receiving double time for meal hours, so when Mr. Grout quoted these figures they were accepted.

**WELL DONE**  
It has been said that one of the most striking results of the world war is the self-sacrifice and spirit of unselfishness among many of the people at home, who apparently have forgotten self, at least for the time being, in their endeavor to aid the patriotic cause either by financial gifts or in personal work relating to war.  
Of late even the children have made notable contributions of this sort, manifesting an earnestness, quite comparable with perhaps greater efforts of the adults.  
On Saturday Louise Campbell, a Fairville young girl celebrated one of her early teen birthdays by a party to which she invited her friends in the usual manner with this exception that the invitation cards requested the guests not to bring a present, but if they cared to bring a donation to the fund for Belgian children were accepted.  
Most of the children followed out the idea and brought a cash contribution so as a consequence of the party the unselfish and patriotic young hostess will be able to present \$9.25 to this very worthy fund.
