

## REPORT OF THE CURATOR.

*Donations to the Hamilton Association during the year 1894-5.*

- Indian Relics—Stone arrow points and bone implements, found and presented by R. Batlers, of Tecumseh, Co. Simcoe.
- A number of fine shells—By Mrs. Beasley.
- Two Indian Arrows from Arizona, one with very small obsidian stone point fastened by its original texture; the other has its points made apparently from a piece of iron hooping, but fastened after the Indian fashion; also a fine obsidian stone arrow point—By Dr. E. A. Gaviller.
- A fine specimen of Horned Lizards from Mexico, also a specimen of Asbestos—By Mrs. Carry.
- A collection of Indian flint flakes—By Col. Grant.
- A Japanese Lady's Pipe—By A. Gaviller.
- Some Japanese money, viz.: 1 Rinpiece, 2 Rinpiece and 1 Tempo—By George Duff, of Hamilton.
- A Soldier's Badge, belonging to one of the Royal Scot Regiments. This was found in the entrenchments occupied by the troops during the war of 1812, when the battle of Stony Creek was fought on the 6th June of that year. The relic was found by Mr. D. Blachford, of Hamilton. The entrenchments now form a part of the Hamilton cemetery—By Mr. D. Blachford.
- Indian Stone Chisel—By Mr. Blachford.
- Model of the Hull of an English Frigate, made of bone, by one of the French prisoners in England of the war of 1812—By Alex. Gaviller.
- The Cap, Belts, Badges, Cartouche Box, etc., of a private soldier of the — Regiment, from the battlefield of Chrysler's Farm—By Mr. Somerville.
- Specimen of a Spotted Salamander Lizard, found near the City of Hamilton, 1895—By Mr. C. Gardner, Hamilton.
- A large valuable collection of Fossils of thirty years' gathering—By Mr. A. E. Walker, Hamilton.
- A singular stone found with an engraved figure on it of a man. Two Assegais from the battlefield of Ibeka, in the Gaika Galeaka War, in the Transkei, South Africa, during the years 1877-8-9—By Mr. Geo. W. Richards.

ALEX. GAVILLER, *Curator.*
