dianapolis, Ind., is the speaker. There will be another lecture at the same place in the eventing at 8 o'clock. It was found that both of his legs had been broken, one of them in two places. He was also painfully bruised, but how it is like a rock. There will be another lecture at the same place in the eventing at 8 o'clock. It was found that both of his legs had been broken, one of them in two places. He was also painfully bruised, but how it is like a rock.

Dill Dunlop, the well known tonsor-

Dill Dunlop, the well known tonsorislist, who was second chair with Harry Bissett in the Imperial Building, Prince William street, for a long while, has severed his connection with Mr. Bissett and will open a shop of his own in the basement of the remodelled Ogilvie building, corner North Wharf and Dock street in a few weeks. Mr. Dunlop bargains on having a cracker-

The sand man has gone on strike. If ever the streets suffered for the gritty stuff it is at present, and the only reason that can be assigned for its continued absence is the suggestion that sand, too, has become a valuable commodity, in view of the recent and mark ed advances in sugar, its better half. Icy sidewalks as are to be found today are more treacherous than the clear bright ice of a frosty night's making, for the darkened snow and footmarks serve to deceive the person on the street

openings.

A BAD PLACE ON MILL STREET. It will not be a bit surprising if a serious accident occurs on the Mill street sidewalk, just in front of the the grain conveyor, as there is a gully of solid ice at that spot that is endangering the limbs of passers by almos every second in the day. If such hap pening does materialize no less a con-cern than the government of Camada will be obviously liable, and thousands will swear that the sidewalk has been shamefully neglected. The rut has been formed by the slewing and passage of Sweeney, of Milltown, N. B., is lying formed by the slewing and passage of in one of the wards of the Chipman sleds, making a sort of side-hill depres hospital with both legs broken, the sion nearly three feet deep, which is result of an accident at the cotton mill today a living glare. Nothing short of "The Struggle for Liberty," is the subject of a public lecture at Union Hall, North End, Sunday, Feb. 26, at 2 p. m. The Rev. J. D. Williams, of Indianapolis, Ind., is the speaker.
