MANTOBA'S STATEMENT

Mr. Jno. McNichol Tells His Interesting Experience With FERROZONE.

One of the earliest settlers in the town of Turnbull, Man., is Mr. John W. McNichol. Everybody who knows him knows how poor his health was for years. Thanks to Ferrozone, Mr. McNichol is a hearty, strong man today. Here is his statement: "I was spring I was terribly run down. I was so completely fagged out I couldn't do any hard work. In the morning I was tired—my limbs ached all over. My appetite?—I simply didn't have any. Sleeplessness?—Yes, nervous and unhappy too. I braced up at once after taking Ferrozone. It put new life and vitality into my body. My nerves are strong, I eat heartily, I sleep well. Now I know the joy of health."

BAPTIST CHURCHES WILL DISCUSS AMALGAMATION.

On Tuesday next clergymen and members of Baptist churches in the city will meet to consider the proposed organization of the churches in the south end. There is no definite proposal to be considered, but the meeting, which will be an informal one and of a purely private nature, will discuss conditions generally. This discussion, it is stated by some, will be along the lines of the amalgamation of Leinster street, Brussels street and Waterloo street churches. It is thought that German street has a large enough and wealthy enough congregation to be left just as it is, and that the Tabernacle church has a work of its own to carry on which might not be helped by union with any other churches.

MONCTON, N. B., Nov. 14.—Everett Blackwood was arrested in the police court this afternoon in connection with the shooting of Albert Howarth, ten-year-old son of Mathew Howarth, on the 30th September last. In the evidence this afternoon, Howarth swore that after meeting Blackwood and speaking to him about the condition of carrying his gun, his son said he is going to shoot; and that when witness spoke about the gun, Blackwood told him to mind his own business, as he would look after that.
