That Terrible Fatigue Can Be Overcome

A Simple Home Remedy Now Cures Lack of Energy, Loss of Ambition, and a Feeling of "Don't Care."

Successful in Nearly Every Case.

That miserable nervousness and listlessness, tired-always condition is due nine cases in ten to a clogged up system. You grow irritable and dependent, you lack ambition, energy seems all gone. Surprised that health is by the frequent use of Dr. Hamilton's Pills they will make you feel like new again in six months.

Writing from his home in Barre, Iowa, Mr. Frederik G. Mayer states:

"I think no one ever suffered as severely as I did for nearly six months.

So many serious symptoms were developing as a consequence of this evil condition of my system that I realized I must find a remedy. The strong

pills of various kinds I tried seemed after their first effects were over to make me far worse and I did not know which way to turn for relief.

I saw Dr. Hamilton's Pills advertised, and the first box used satisfied me. I found a true remedy. Instead of

gripping with undue activity, Dr. Hamilton's Pills acted as naturally as if

physic had not been taken. I never had to increase the dose and, indeed, within a month I reduced it, and

when the system finally acted of its own accord as a result of Dr. Hamilton's Pills, I took a dose twice a week

only, just to make sure the old condition would not come back."

No other remedy cures constipation and biliousness so easily or safely as Dr. Hamilton's Pills; they are an

ideal family remedy for all diseases of the stomach, liver and bowels.

WANT POLICE HEAD REMOVED.

New York, June 3.—The removal of

Hinselander Waldo, as police commissioner, an appointive post which he

has held for two years under Mayor Gaynor, is recommended in a majority

committee that investigated the police department after Herman Rosenthal, a

gambler, was slain last July by gunmen hired by former Police Lieutenant

Charles Becker. The report was intended to go to Governor Sulzer,

but at the last minute an amendment was passed directing the recommendation

for removal of the mayor. The board of aldermen as a whole must

pass on the report before it can reach four to three in favor of the report.

Two members did not vote.

THE CONSUMPTIVE.

Say, Doc, I ain't noted for gameness.

This cough of mine's scared me a lot.

My make up contains too much tannin.

But now that I know what I've got.

An' you say that two years is the longest.

I'll live if I don't go away.

I'm goin' to stand up with the strong-est.

An' here's where I'm goin' to stay.

You can tell me to go where it's sunny.

You can easily say "get away."

An' perhaps I could dig up the money

By sellin' the cottage today.

An' perhaps I could shake off the fever.

That's eatin' the life out of me.

But the wife—I ain't goin' to leave her

To bring up the kids. An' there's three.

Lord knows that I'm eager for livin'.

An' I ain't just ready to die.

An' all that I own I'd be giving

A dozen or more years to buy.

But if two years are all that's remain-

in.

The best of these two years I'll give

To those who would starve, uncom-

plaining.

If only they daddy might live.

Now I know what I've got I feel better.

I've two years to prove I'm a man.

An' I ain't goin' to quit here a debtor.

An' leave them to live as they can.

I'll be here when Death comes to get me.

To start on that journey above.

But I ain't goin' to live, if they'd let up.

By sellin' the ones that I love.

Nervous Sufferers Often Look Well

While persons subject to disorders

of the nerves are frequently thin and

weak, such is not always the case by

any means.

Many are of sturdy and vigorous

strength and so healthy in appear-

ance that they receive little or no

sympathy.

In such cases the symptoms indi-

cate trouble in the head and spinal

cord. Though strong in a muscular

sense, the nerves are affected and

spells of helplessness come over the

sufferer. The condition is alarming,

because the result is to be expected

paralysis.

As in all forms of nervous exhaus-

tion, Dr. Chase's Nerve Food is the

best treatment from which the best

results are to be obtained.

You cannot sleep and feel restless

and irritable; you can strength, and

then a little extra excitement brings

on a nervous collapse, and helplessness and discouragement come over

you again.

It seems impossible to concentrate

the mind and to apply yourself to the

duties of the day. Yet your appearance

is such that people are inclined to

think you shamming.

Dr. Chase's Nerve Food will do won-

ders for you if you only give it a

chance. Gradually and naturally it

restores new vigor to the nerves and

new hope and confidence to the mind.
