WHAT WAR WILL COST CANADA FOR NEXT YEAR

Expenditure estimated at
between 200 and 250
Millions for 1916—Fi-
nancial report for seven
months shows gain of \$6-
700,000 in receipts.

Special to The Standard.

Ottawa, Nov. 3.—Canada's war expenditure for next year will be between two hundred and two hundred and fifty million dollars. Up to the end of this year the expenditure will be \$160,000,000 so that by the end of 1916 it will be about \$400,000,000. A statement issued by the finance department today says that about one thousand dollars per man per annum is calculated as the cost of raising, equipping and maintaining Canadian troops at the front and under arms in Canada.

In this war the estimates will be exceeded on account of the enormous expenditure of ammunition and the heavy strain upon artillery and rifles. The annual interest charge in connection with the war expenditure by Canada to the end of 1916 will amount to over fifteen million dollars. The financial return of the first seven months of the present fiscal year, that is to say up to the end of October, shows an increase in receipts of \$6,700,000 over the corresponding period of the previous year and a reduction of nearly nine million dollars in ordinary expenditure and of two and a half million dollars on capital account.

OLD FOLKS NEED "CASCARETS" FOR LIVER, BOWELS

Salts, calomel, pills act on
bowels like pepper acts
in nostrils.

Enjoy life! Don't stay bili-
ous, sick, headachy and
constipated.

Get a 10-cent box now.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles.

So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets, and they cost only 10 cents per box at any drug store. They work while you sleep.

A Girl's Death

(Montreal Star.)
There's a girl's death awaiting vengeance
In a courtyard across the sea.
Who was put to death as others were
While helping you and me.
She died with a smile and a toss of
her head.
As you would wish her to.
Now that she's dead and you're alive,
What are you going to do?

Are you going to be the laggard,
And stay behind this time?
Or are you going to shoulder a gun,
And get in the firing line?
Did she not do her duty,
And in doing it help you?
Now that she's dead and you're alive,
What are you going to do?

She died the death of a martyr.
A Briton through and through.
Now that she's dead and you're alive,
What are you going to do?

OBITUARY.

W. W. Hubbard.

The death occurred at Markhamville, Kings County, yesterday morning of William Woodbridge Hubbard. Deceased was the son of the late W. D. W. Hubbard and was in the seventy-eighth year of his age. He is survived by one sister, Mrs. J. Delancy Robinson, of Fredericton. Mr. Hubbard was for several years bookkeeper with the Great Salmon River Lumber Company. The funeral will take place this afternoon with service at the Mission Church, Paradise Row, at half-past two o'clock.

RUSSIA GIVES PERSIAN GOV'T A WARNING

Anglo-Russian protection
will be withdrawn if Per-
sia links up with Germa-
ny and Turkey.

Petrograd, Nov. 3, via London.—Russia has notified the Persian government that the Anglo-Russian convention, providing for the maintenance of Persian integrity and independence, will at once lapse, if the rumors prove true that Persia has concluded a special agreement with Germany and Turkey.

This information was conveyed to the Persian government by the Russian minister at Tehran. The minister's declaration, it is explained, applies not only to the present cabinet but to any Persian government that should think of linking the fate of its nation with that of countries at war with Russia.

The Activities of Patriotic Bodies.

TOMMY WANTS—TOBACCO.

Well, here I am in the trenches.
Somewhere in blooming France;
Sometimes finding the blasted Hun
Lead me a merry dance.
But I tell you, boys, it's awful,
And 'tain't no blooming joke
When you haven't any tobacco,
And you're longing for a smoke.

I don't mind doing my duty,
I'll do it as long as I can,
To show all the other fellows
That I'm a fighting man.
But what gets me the hardest—
Takes the heart out of any "bloke",
Is when he hasn't any tobacco,
And is longing for a smoke.

So all you folks that's staying home,
And can't go to the front,
Just think of us boys over here
Who are bearing the battle's brunt.
And dip down in your pockets
Even though you think you're
"broke".
To send us lots of tobacco,
So we won't want for a smoke.

FOR THE LONE SOLDIER.

On Wednesday evening next, Nov. 10, in the Carleton Presbyterian church school room a concert will be held to raise money for the purchase of tobacco for the lone soldier at the front. Some of the city's best known entertainers will assist and a liberal patronage is expected, as the appeal is one all will want to help. Tickets 25 cents.

SOLDIERS' COMFORTS.

The Soldier's Comforts' Association was in session yesterday in Centenary church. The reports showed gratifying contributions of socks, mufflers, wristlets and money, which will be devoted to the soldiers' benefit; \$342.20 was collected during last month. Mrs. P. R. Warren was elected organizing secretary.

TO WELCOME SOLDIERS.

All women interested in welcoming the 52nd Battalion and men who would like to see a soldiers' club formed, are asked to meet in the Board of Trade rooms tomorrow morning at eleven o'clock.

Sixty Years Married.

Mr. and Mrs. Mayes Case, of Wickham, N. B., were the recipients on Monday evening of hearty congratulations on completion of sixty years of a happy wedded life. Substantial remembrances were also received by Mr. and Mrs. Case, who are in good health and still reside at the old homestead. Ten of their children are living and some of them were present at the enjoyable reunion.

Stomach Was Bad.

Could Eat Hardly Anything.

When the stomach gets out of order the whole system seems to become affected in one way or another. The breath becomes foul, the tongue furred, the appetite becomes disturbed, nausea and vomiting occur, there is a rising and souring of food caused by the acidity of the stomach, and the stomach and bowels become distended causing flatulency. Unless these symptoms are met with immediately, dyspepsia or some other serious trouble is liable to follow as a consequence.

That grand old remedy, Burdock Blood Bitters, has been on the market for the past forty years, and we claim, without any fear of contradiction, that there is not another medicine on the market to-day that can compare with it for the cure of all disturbances of the stomach. Miss Lillian E. Phillips, Plumwescop, N.B., writes: "My stomach was so bad I was in pain and misery. I could eat hardly anything. I had been treated by skillful doctors for it, but they did me no good. I was giving up in despair when I happened to hear of Burdock Blood Bitters. You can't think how fast it helped me, for I had only taken two bottles before I was better. I will recommend your medicine very highly to all my friends and sufferers."

Burdock Blood Bitters is manufactured solely by The T. Millburn Co., Limited, Toronto, Ont.

TIME PIANO BUYERS, READ THIS!

The money you make belongs to you and you can spend where and with whom you please. This has been an off year in the piano business, and if the piano business were not at a standstill, you could not buy Pianos at such undreamed-of prices as you see depicted here in this paper today. While we want all the cash that we can lay our hands on at the same time, we will take any kind of terms, either weekly or monthly, that will give us a half a chance to see daylight. Here is our motto for this sale: Come here, pick out your Piano, then it is time enough to talk price and terms, and if the best that you can do is within the bounds of reason, we will close the deal on the spot.

We will pay freight to any point in the Maritime Provinces.

THIS TREMENDOUS STOCK MUST BE SOLD!

Just the mere fact that we are selling these Pianos at a fraction of their actual value, does not for an instant impair the real artistic merit of these wonderful Pianos. Every man, woman and child in the Maritime Provinces is thoroughly familiar with the quality of such Pianos as the "Amherst," "Gerhard Heintzman," "Kaufman," "Blundell," and the other pianos we carry. Imagine coming to this store and buying a real, genuine "Gerhard Heintzman" Piano for \$180, and on terms of \$10 down and \$2 a week. This is the spirit of this sale. Think of coming to this store and buying a real, genuine \$500 Amherst Piano, guaranteed for twenty years, and buying it at a direct factory price. We do not dare to advertise the prices we are asking for Amherst Pianos at this sale, as it would hurt the chances of our dealers throughout Canada. The spirit of this sale is just this: Every Piano must be sold at some price, and the mere fact that it happens to be a brand new "Amherst" or a "Gerhard Heintzman" or some other well known make, will not stop us from slashing the price to fit your pocket-book. Every Piano, regardless of former price, must be sold, and any honest man or woman in the Maritime Provinces can come here and buy a piano at a price so low that it will beggar comparison. The pianos will soon be all sold at the present rate. Come today or to-night—but be here.

READ THIS CAREFULLY:

Here is a real, genuine Gilbert Piano, and if you were to purchase this piano from any piano house in Christendom, the price would be at the very least \$250. But prices are not an issue. Terms are a secondary consideration. This piano must be sold, and we will not let price or terms stand in the way.

CASH PIANO BUYERS, ATTENTION!

Europe's mighty war would be a failure without cash. The same is true of any commercial enterprise. We have scores of Pianos, but our women cannot eat Pianos, nor their wives and families cannot eat Piano Keys. They must have money to get the necessities of life with. Therefore they look to us to get the cash to give them, and it is up to us to get the money. So when a man says cash, we leave out the commercial side of the question and go after the money. That is the thing that counts. We do not expect to sell Pianos at a profit when the buyer has the money in his pocket. We will go a step farther, and if a man's note is good, we will call that cash and we will give you a price so low that to even mention it here would be considered silly, as we would hardly expect you to believe that we would sell Pianos such as we have on these floors for such ridiculous prices even for cash. Come here at once.

WE ARE OPEN EVENINGS UNTIL 9 O'CLOCK
