CAPTAIN WAS  
CENSURED IN  
S.S. TYNE CASE

Wreck Commissioners Gave Judgment Saturday Morning — Captain Erred in Judgment.

Judgment was delivered Saturday morning in the Tyne inquiry. The court found that the master of the ship, Capt. Robson, had not in their judgment taken all the precautions which he might have, but in view of the fact that it was mainly through his efforts that the steamer was saved, decided to do nothing more than censure him. The other officers of the ship were held blameless in the matter. Following is the text of the judgment:

The evidence in the matter having been carefully reviewed and weighed, the court has come to the conclusion that the master, W. H. Robson, did not adopt all the precautions that were required in navigating his ship; taking into consideration the fact that the ship was a stranger in these waters, and that he sailed from a port outwards bound with a state of atmosphere which prevented him from seeing at a very great distance, and owing to the direction of the wind at the time he should have anticipated that it would become denser.

He was in default on two points which we call grave errors of judgment, viz.: Firstly, to have left port without streaming his log no matter what condition he found it to be in. The fact that the instrument was on board, even though it was found to be erratic on previous voyages, it was his duty to have ascertained the amount of error, and either add or subtract from his calculations accordingly. To navigate a vessel, meeting conditions existing in the Bay of Fundy, such as tides, by basing himself only on the number of revolutions the ship was making, notwithstanding the fact that he stopped occasionally to take soundings, is not a very reliable method to adopt.

The court also finds him in default for having assumed that he was a mile or a mile and a half off Isle Haute when he passed that place. It is absolutely necessary in these waters to be accurate as to the distance a ship passes off certain points in order to reach the position intended.

The court likewise finds him in error for not taking a sounding when he got the bearing of Point Prim Fog Horn. Had he taken a couple of casts of the lead at this time it would have assured him of the exact position of his vessel at that point.

However, he sailed away at half speed, the ship going through the water as he estimated it at rate of six miles per hour. The light S. W. wind did not affect the vessel by causing any leeway and the water was smooth. Some time before the stranding a cast of the lead showed 100 fathoms, and a few hours later 27 fathoms were found, and the ship proceeded at half speed until another showed 8 fathoms, when the vessel was stopped, although the engines were not reversed.

At this point we think the master erred greatly in judgment in not going full speed astern on his engines the moment the 27 fathoms were found, which indicated the water was shallow rapidly. Had he done so this mishap would most likely have been avoided.

For the above reasons we feel that the master deserves that the court should deal with his certificates, but after taking into consideration the honesty displayed in giving his evidence, it was quite apparent he did not endeavor to hide any particulars or shortcomings of his; and the able manner in which he succeeded in getting his vessel from the rocks, for which the court is aware, few vessels have heretofore escaped after striking; also the shortage of masters and officers under present conditions, the court thinks it will meet the justice of the case by reprimanding and severely censuring the master for failing to adopt the precautionary measures mentioned above.

The court does not attach any blame to the officers.

Read in open court at St. John, N.B., July 29, 1916.

NO TRACE OF REXTON  
SOLDIER WHO HAS BEEN  
MISSING SINCE JUNE 2

Harry Gould, who went to Front as Stretcher Bearer, Believed Prisoner of War in Germany.

Rexton, July 28.—Miss Annie Robertson and her cousin, Master Albert Boyington, of Hamilton, Ont., were in town this week, the guests of Mrs. T. C. Burns.

Mrs. A. B. Carson and Miss Short returned Saturday from a visit to St. John friends.

Miss Georgia Jardine, accompanied by her niece, little Miss Jean Palmer, Mrs. J. L. Bishop and son, Reginald, went to Moncton yesterday to spend some time visiting friends.

John Roach of New Hampshire, and Leonard Roach of St. John are visiting their parents, Mr. and Mrs. William Roach, Main River.

The many friends of Mrs. William Irving, of Munderville, were shocked Monday evening to hear of her sudden death which occurred at her home there. Mrs. Irving had been a sufferer for many years from heart trouble but had usually been able to attend to her duties so her death came unexpectedly.

Mrs. Irving, who was formerly Miss Christabel Call, daughter of Joseph Call, was born at Ford's Mills, Kent Co., fifty-two years ago. She leaves to mourn her husband, four sons, Bowser and Bertram, of New Hampshire, and Thomas and Fred, of Munderville, also five daughters, Mrs. Roy Munderville, Mrs. Allison McNairn of West Galloway, and Misses Stella, Viola, Edna and Eva, at home. The funeral took place Thursday morning.

Mrs. Irving is also survived by one brother, William Call of Ford's Mills, and three sisters, Mrs. Howard Lawson of Main River, Mrs. Frank Graham of North Side Main River, and Mrs. William McWilliam of Ford's Mills.

Mr. and Mrs. Harry Lanigan and children, who have been spending some time in town with Mr. and Mrs. Keady Lanigan, leave this morning on their return to Waltham, Mass.

John O'Leary, wife and two children, formerly of Richibucto, but now of Boston, passed through here a few days ago, en route to Mr. O'Leary's former home. They made the trip by auto.

Thomas McInerney of Boston is visiting his parents, Mr. and Mrs. John McInerney.

Mrs. McInerney and Miss Nellie McInerney have gone on a trip to P. E. Island.

Rev. Father Synnott, who will soon be consecrated Archbishop of Winnipeg, was in town recently, the guest of Mr. and Mrs. John McInerney.

Jeremiah Gould, of this town, received a letter from Colonel McLean expressing the hope that Harry will be found among the prisoners in Germany. During the battle Harry was engaged as stretcher bearer and the colonel speaks in the highest terms of him.

The Feast of St. Anne was very fittingly observed at St. Anne de Kent Wednesday. A spiritual retreat beginning Sunday was held and on the morning of the feast over two hundred and fifty parishioners partook of holy communion.

Afterwards a solemn high mass was sung by Rev. Father Hebert and a powerful sermon was preached by Rev. Father Ferdinand in which he eulogized the virtues of the saint.

In the afternoon solemn vespers were sung and a procession of the relic of St. Anne and veneration of the same took place followed by Benediction of the Blessed Sacrament.

STUMPAGE FOR  
YEAR WILL BE  
\$352,624.78

Cut Last Winter was Larger than Expected, being about 240 Million Feet—Bathurst Lumber Co. Pays \$67,193.63.

## Special to The Standard.

Fredericton, July 30.—The revenue from New Brunswick Crown lands is remaining up to normal despite conditions resulting from the war. The time for payment of stumpage accounts to the Department of Lands and Mines expires on Tuesday next, August 1st, and, according to estimate given today by the Deputy Minister, T. G. Leagie, \$352,624.78 will be paid in stumpage to the province by lumbermen this year.

This amount, while smaller than last year, is larger than was expected a year ago as it was freely predicted that the lumber cut in New Brunswick last year would be at least forty per cent. less than normal. Conditions improved, however, as is shown by the fact that the cut last winter was actually about 240,000,000 feet, which is 50,000,000 feet less than the previous winter, a decrease of about twenty-five per cent. The falling off in the cut last winter was particularly noticeable on the Southwest Miramichi where operations were considerably smaller than for some years past.

The Bathurst Lumber Company will pay the largest stumpage this year, their account being \$67,193.63, while other large amounts will be received from Richards Mfg. Company, \$31,213.44; Shives Lumber Company, \$25,190.57; J. B. Snowball Company, \$21,305.17; and Dominion Pulp Company, \$17,871.92.

AUSTRAINS WHO  
BROKE PAROLE  
ROUNDED UP

Five or Seven who Left Springhill Mines Without Permission Caught at Dorchester by Deputy Sheriff Holland.

## Special to The Standard.

Dorchester, July 30.—Jerry Holland, deputy sheriff and jailer in Dorchester, was successful in capturing five of the seven Austrians who broke their parole in leaving Springhill Mines on Saturday morning. Jailer Holland received the tip from railroad men that these fellows were heading for Dorchester and he immediately went to the I. C. R. depot here and secluded himself near the railroad. The four men surrendered at the call and were marched to the county jail where they are now securely locked up. This afternoon the fifth man was seen on the tracks, heading for Upper Dorchester and Jailer Holland got on the trail of the fellow who gave the officer a lively chase, but tamely surrendered when overtaken. Jailer Holland is holding the prisoners pending orders.
