The dampness which destroys lumber only intensifies the strength and hardness of Concrete. You can impair a wooden trough with comparatively little use; but it takes a powerful explosive to put a Concrete water tank out of business.

Which is your choice—expense-producing Wood, or money-saving Concrete? We'd be glad to send a copy of our book, "What the Farmer Can Do With Concrete,"—Free—if you'll ask for it. It tells the many uses of Concrete in plain, simple language—tells how to make

Washington, Dec. 20.—President Taft and Attorney General Wickham made it plain today that for the present no further action would be taken by the government in the case of Charles W. Morse. Mr. Wickham, following a meeting of the cabinet, said that Morse was not in a critical condition and would remain in the army hospital at Fort McPherson, near Atlanta, where he was removed from the Atlanta Penitentiary several weeks ago.

An application for a commutation of sentence will be considered by the President or Mr. Wickham unless the condition of Morse grows materially worse. A parole has never been under consideration. Officials here say that Morse's friends do not expect further action at this time. They point out that the Department of Justice has been most lenient in its handling of Morse since it became known that he was seriously ill.

Mincola, L. I., Dec. 20.—Six months' search has failed to discover Miss Pamela D. Jackson, former stenographer of the late Charles D. White, a New York broker, who named her in his will as heir to nearly all his estate, valued at \$100,000. She has been missing since the will was filed, and the surrogate today issued a general appeal for information regarding her whereabouts. White died at Port Washington (L. I.) last December.

SUREST TONIC IN THE WORLD IS "FRUIT-A-TIVES" THE GREAT FRUIT MEDICINE

Like fruit juice, "Fruit-a-tives" acts on the great blood purifying organs of the body—namely the liver, bowels, kidneys and skin, and stimulates all these parts to increased activity. The splendid nerve tonic and intestinal antiseptic, combined with the intensified fruit juices, make "Fruit-a-tives" the finest of nerve tonics. On the stomach, "Fruit-a-tives" acts as a soothing tonic and allays all irritation. By purifying the blood—strengthening the nervous system and regulating kidneys, bowels and skin—"Fruit-a-tives" builds up the whole system as nothing else will. "Fruit-a-tives" is a really wonderful medicine—
