THE President and Directors of the SAINT JOHN MECHANICS' INSTITUTE beg to announce that they have completed arrangements for the annual Course of Lectures, and call attention to their Programme, in the confidence that it will meet with the entire approval of the public.

They have secured the services of Lecturers from England and the United States, who have received the highest encomiums in America and in other lecture fields, and have made arrangements with a gentleman in assister Province, who has achieved a high reputation as a writer and a speaker. They have also engaged the services of a gentleman from another Province, whose name is well known as a poet and author, and of one who is well known to the citizens of St. John as an eminent tragedian and elocutionist. Another tragedian and lady who have delighted so many of our audiences that they require no special references from the Board, with several local and Provincial literati, who are well and favorably known to the public, complete a list which will bear comparison with that of any former year.
