Glencoe's Favorite Shopping Place

BY ORDER OF THE GOVERNMENT, as a war measure to conserve fuel, this store was closed February 9th and 11th.

On our own initiative, with the "good of the cause" as an incentive, E. Mayhew & Son will exert every effort to make up for the two days lost, and to that end we offer these extraordinary economy inducements.

HERE ARE ECONOMIES EVERY HOUSEHOLDER'S EYES SHOULD SEE!

The E. Mayhew & Son store now sets itself energetically to the task of accomplishing this double aim. Special buying inducements, which are hereby offered, present most pronounced economies. To conserve newspaper space we have made them very brief, but every one is a big leader.

The pipeline ain't busted, nor the gas well ain't petered out, as so many wise heads prophesied when the Shetland Gas Co. was born. Everything, from the Blizzards, zeros, and the fuel regulations cut to ice; the gas comes right along with all kinds of push, and many homes that would otherwise have been burning rails, furniture or straw the snug, cozy and warm. I tell you we "gasers" are it with a big T. Now, those knockers want to come in. More than cold feet, now, I guess. Shall we receive them? The Bible does not say that even "Doubting Thomas" did not get into Heaven.
