Blood and Thunder

ejected from the meeting, but I would suspect that the ejection could only be justified if the meeting went into closed session or if he was being disruptive or obstructing business.

Third, those "agents" to which he refers in paragraph 2 of his letter include, among others, a member of city council, a producer with CBC, and a member of the St. Thomas Student Union. Could one make the assumption, therefore, that Mr. Bennett believes that Dr. Downey now controls our municipal government, the media, and members of the St. Thomas student body?

Fourth, it is true that I sent a letter to Dr. Downey on 07 January 1987. Contrary to his statement, however, I did not make any demands on Mr. Bennett or Mr. White, and consequently, did not complain about their failure to meet such.

Fifth, I again wrote the President bringing to his attention what I considered to be the harassment of particular students by Mr. Bennett and his associates. Further, any statements I've made regarding the latter's behavior are true and can be proven.

Sixth, I did not state that

Mr. White's suspension was justified. I did state that I believe there to be more than ample reason to suspend Mr. Bennett.

Seventh, the "Committee of Inquiry" to which Mr. Bennett refers is an *ad hoc* committee of Council created to investigate a complaint that Mr. Bennett has on more than one occasion allegedly harassed one of our employees. I am not a member of this committee.

Eight, the executive of the Student Union, as represented by Messrs. Bennett, Bosnitch, English and Brown was removed from office on 17 April 1986, because it lost the confidence of Council and had mismanaged the affairs of the Student Union.

The refusal of Mr. Bennett *et al* to participate in both the elections of last fall and this spring demonstrates a contempt and perhaps a fear of the student body. If they really had our best interests at heart, they would put the question of their credibility to students, and cease offering excuses that serve as no more than a "cop out" from facing those people who they claim to represent.

Lawrence Hansen,
President
UNB Student Union
