Sir

I have to acknowledge
 the receipt of your letter of the
 2nd instant enclosing a Requi-
 sition from the Rev. J. A. Archdeacon
 for supplies for the additional
 female pupils to be admitted
 to the Native School Industrial
 School. I have to inform
 you that two hundred dollars
 '\$400' are allowed for the
 maintenance of these pupils for
 the remaining two months of the
 current year, but this amount
 is supposed to cover the cost of
 provisions
