The king himself showed his very best side, which was very good indeed, and took his leave of her in really monumental words: "M'am, you much beloved by our common people and all inhabitants of palace and royal children. Everyone is in affliction of your departure and even that opium-eating secretary P'hra Alack [the King's foster-brother whom he used to throttle for the relief of his feelings when their immediate object was sour grapes] is very low down in his heart because you *will* go. *It shall be because you must be a good and true lady.* [Yes, Your Majesty! And poor Mongkut, like other tough subjects, was, after all, far from being mere flint. He could vibrate quite harmoniously on the whole, at times, if with some still unresolved scrapes of lingering petulance and self-assertion, to the qualities which the friction of his own perversities had chafed into music. He had, at least, a singularly clear head, a most rare and precious possession, and one scarcely, I think, compatible with an utterly hardened heart.
