GENTLEMEN,—

My acceptance of this appointment is subject to your ratification, and I respectfully solicit your confidence and support in this new sphere of labor and responsibility. While it shall always be my especial pleasure, if elected, to watch carefully the interests of the City of Saint John, and strive to promote them in every legitimate way, I shall also endeavor so to perform my duties as a Councillor of His Honor and Provincial Secretary, as to promote a faithful and wise administration of Provincial affairs, to the general advancement of the public service and the dispensation of equal justice to all classes of the people.

I have the honor to be, Gentlemen,
Your obedient servant,

WILLIAM WEDDERBURN.

may 1

To the Electors of the City and County of Saint John.

GENTLEMEN,—

At the approaching Election of members to serve in the General Assembly of this Province, I shall again be a candidate for your suffrages.

My views on matters within the sphere of the Local Legislature, and my votes and acts as your representative, are so well known, that it is needless for me now to recapitulate them. You are the best and the only constitutional judges of the way in which I have attended to the various matters entrusted to my care, as well as of the manner in which I have fulfilled the pledges made by me at the time of my election. If you are satisfied with my conduct in these respects, I trust I may receive from you, at the polls, a renewed expression of your confidence.

As between the Government and the Opposition, in what I may by anticipation, call the late House of Assembly, I felt that the best interests of the country and my pledges to you were alike involved in my hearty support of the Executive. Should I again be elected, I shall feel it my duty to assist the Government of the day in passing all good measures, while I shall deem it no less incumbent upon me to oppose all legislation which I may regard as adverse to the best interests of the constituency and of the country.

It is my belief that the independence, utility and influence of the Local Legislatures can be best maintained by excluding from the local sphere questions relating exclusively to Dominion politics. It would be with deep regret that I should see any other course forced upon this Province.

The revenue of the Province, under good management, can be made sufficient to uphold the public credit and maintain the public services. It will be my aim, if elected, to conserve our financial condition and to provide that the moneys appropriated for public works and other public services shall be so expended as to do the greatest possible amount of good. In these expenditures, besides public works, properly so called, I include all moneys granted for the laudable purpose of advancing the great interests of Agriculture and Manufactures, in so far as this can be done by Agricultural and Industrial Exhibitions and kindred means.

While the debts and expenditures of cities and other municipalities for whatever purpose contracted or made, are primarily matters of only local concern, they nevertheless affect the general credit and interests of the country. I therefore regard it as one of the most important duties of legislators to scrutinize very carefully all measures brought before them for imposing increased burdens upon the tax-payers, and to sanction only such as are absolutely necessary in the public interest.

I have the honor to be, Gentlemen,

Your faithful servant,

WILLIAM ELDER.

Gentlemen, I am your obedient servant,

R. J. RITCHIE.
