After the fire had been got under control, said the MARITIME PROVINCE SECURITIES deputy chief, he had discovered on the floor of the General Du Pont is the principal owner of the new billiard room, in a spot where the blaze appeared to Equitable building. In February of this year he sold have originated, judging by the amount of damage out his entire holdings in the Du Pont Powder Com- done in that immediate vicinity, a quantity of bagpany, of which he was president, in a deal said to in- ging which had evidently been soaked in coal oil and the necks of five bottles. The smell of coal oil The Equitable Life Assurance Society has a capital in this part of the room was quite apparent. Asked stock of \$100,000. The law fixes the income from if he thought the fire was of criminal origin, the with at not more than 7 per cent. A year. Before the ness said he could not conceive how it could have trusteeship was created by Thomas F. Ryan the 502 started unaided, or how it could have made such shares, paying \$3.514 a year, gave the power to headway in a short time without assistance. He name directors and officers and to control loans and had sought for a possible cause at the time, but had salaries in a company whose total assets amounted to been unable to find one, as there was no stove in the more than \$400,000,000, with outstanding insurance place, and no electric wiring which might have be

The abuses in this control caposed by the insurance investigation led to the relinquishment of the stock by Schwartz. Bernard Goldman. Samuel Rubin and Mr. Hyde and to the trusteeship under which the Mr. Hyde and to the trusteeship under which the Bennie Laurs, the trusteeship under which the Equitable ceased to be used for Wall Street purentiated for overseas service. The young men said that they had seen Eid bending low, and almost imposes. Since then plans to complete the mutualization of mediatel yafterwards they had seen a first spurt of the company by the sale of the capital stock to policyholders have been pressed at various times. Before he went out of office Superintendent of Insurance.

REAL ESTATE NO REASON TO PAY COMMISSION OF \$1,223,01 TO HOUSE OF BROWNE

peal of Realty Firm and Upholds Decision of Trial Court—Testimony Was Contradicted.

No. 488, Parish of Sault au Recollet, with buildings fronting on Cote St. Michel Road, for \$3,500. of the House of Browne against the Major Manufac-turing Co., Chief Justice Sir Horace Archambault J. William Lachapelle sold to Arthur N. Asselin finds that there is no reason why the appellant should be paid the commission of \$1.223.81. This sum Mr. and 103 Buller street, measuring 25 x 100 feet, for \$2.150.

Joseph G. Poirier sold to J. A. Daoust lot No. 11-8,

In the statement of facts it is shown that the respondent asked the House of Browns on April 18, 1919. tenements Nos. 1026 to 1034 Parthenais street, measat \$3.25 a foot, and promising to pay a commission of 2½ per cent. on the selling price. The option was The state of Alfred Napoleon Roy sold to the estate of Alfred Roy, Jr., lot No. \$80-10, St. James ward, with buildings Nos. 369 and 371. St. Andre street, measuring 21 x 63 feet, for \$4,500. Mrs. Henri Auger sold to C. Montpelier lots Nos. 8-552 and 8-553. Hochelaga ward, with buildings Nos. 784 to 802 Letourneux street, each lot measuring 25 x gottations with the buyer while the contract was in force.

On September 27 Mr. Harris Vineberg asked the Napoleon Charest sold to Elie Boulen dit Bouchette lots Nos. 54-123-1, 54-124-1, 54-125-1 and 54-126-1, be bought for \$3.50 a foot. He found this price too high ard declared that if he should be given an option at \$3.75 a foot. tion at \$3.25 a foot he would consider it. Such an option was given him until October 8, but not being able to make definite arrangements about the building October 17, and the respondent gave written notice of revocation of the contract.

Marco Marron sold to Hyman Marron lot No. 813a.
St. Jean Baptiste ward, measuring 29 x 149 feet, with buildings Nos. 775, 775a and 775b, St. Lawrence Boulevard and Nos. 784, 785 and 788 St. Dominique street, lot No. 449a same ward, measuring 30 x 117 feet, with buildings Nos. 1195, 1197 and 1199 St. Urbain street. Lot No. 815, St. Louis ward, with buildings fronting on St. Lawrence boulevard Nos. 277, 778, and 785 for on St. Lawrence boulevard Nos. 277, 778, and 785 for on St. Lawrence boulevard Nos. 277, 778, and 785 for on St. Lawrence boulevard Nos. 277, 778, and 785 for on St. Lawrence boulevard Nos. 277, 778, and 785 for on St. Lawrence boulevard Nos. 277, 778, and 785 for on St. Lawrence boulevard Nos. 277, 778, and 785 for one of the contract.

On November 16 Mr Christopher Severs asked for and obtained an option for a day. The property was sold through him to Mr. Harris Vineberg, and that determined the claim of the appellant that the with Mr. Vineberg. The trial court had rejected the claim to commission on this basis, and the Court of Appeals upholds the decision.

His Lordship, in the course of his judgment, points out that the negotiations between Mr. Vineberg and the House of Browne had come to an end, and that the latter had not informed the Major Manufacturing Company when the contract was revoked that Mr. Harris Vineberg had made offers for the property. Mr. FitzJames E. Browne had testified that told Mr. Macdonald, superintendent, and Mr. Bingham, managing director of the company, of Mr. Vineberg's offers, but both contradicted his testimony The respondent had paid a commission to Severs, and had acted in good faith throughout. He bel them to be ignorant of the negotiations between Messrs. Browne and Vineberg.

Chief Justice Sir Horace Archambault, Justices Trenholme, Lavergne, Carroll and Pelletier present.

COMPETITION BROUGHT

LOWER RATES FOR CALGARY.

Regina, Sask., June 16.- Competition between the various agencies has enabled the city this year to secure a cut of nearly fifty per cent. in the rates for accident liability insurance on employes engaged inconstruction and maintenance work. In past years all rates quoted by the various agencies on the same TWO YEARS PENETENTIARY pro rata among all agencies according to the number of companies represented by each. This year all the
