

The Lantern Foot-warmer.

Guaranteed to be satisfactory or money refunded. Keeps the feet warm while driving, furnishes light like the common lantern, and is attached to a wooden base, which prevents ordinary upsetting.

The above cut shows how the Lantern Footwarmer is used. It is a simple, safe, effective footwarmer and lantern, which every farmer and person who drives, as well as people that are required to sit in chilly stores, studios or rooms, should own.

The heat from the flame of the lantern is conducted by a copper strip to copper plates placed on the wooden base, at each side of the lantern. The driver regulates the strength of the heat by turning the wick up and down in the regular way—places the lantern in front of him, puts his feet one on each plate, and tucks the robe in around himself. No danger to the robe, no disagreeable odor, no cold feet—the entire body kept warm, and a lantern ready lit at the end of the journey.

Sold by mail complete—lantern, stand and attachments, for \$2.00. Use for seven days, and if dissatisfied we will return your money. Liberal discounts to the trade or agents.

Two Good Things For Farmers

—a trouble-proof fence and a trouble-proof fencepost.

STANDARD Woven Wire Fence

is all No. 9 hard drawn steel wire, heavily galvanized—with "The Tie That Binds", which locks on the running wire and lies smooth on both sides.

OUR NEW STEEL POSTS are bent at right angles, which gives the necessary strength without the expense of solid or tubular steel.

Don't buy blindly. Learn the facts about wire fences in our book. Sent free if you write—also sample lock.

The Standard Wire Fence Co. of Woodstock Limited, Woodstock, Ont. and Brandon, Man.

Why Not Put "BT" Stanchions In Your Stable?

They will make it brighter and neater, are stronger, more durable, and cost less than any other tie when all is considered. Your cows will be kept clean and comfortable. Ask us how to lay out your stable, and why it pays to use

"BT" Stanchions
