"Capital Investments in Canada."

By **FRED. W. FIELD.**

(A new volume to be published next month.)

\$2.50 PER COPY.

Three hundred and seventy-two million pounds sterling have been invested by Great Britain in Canada. American capital has helped the Dominion's industrial development to the extent of nearly \$417,143,221, while foreign capital in excess of \$139,589,650 has also been invested in the Dominion.

A series of articles respecting the investment of British, American and foreign capital in Canada is appearing weekly in The Monetary Times of Canada. In response to many requests, the articles, which are from the pen of Mr. Fred. W. Field, Managing Editor of The Monetary Times, and Imperial Trade Correspondent at Toronto, will be reprinted in book form, at a popular price, together with other articles, early in the autumn.

In view of the general interest in the subject of investment in Canada and of the Dominion's trade relations, this new volume, "Capital Investments in Canada," will prove of great value. It is the first contribution on the subject to the business man's library shelves.

Orders for the publication are now being received at the various offices of The Monetary Times as follows:—

TORONTO, ONT.: 62 Church Street.

MONTREAL, QUE.: B. 33 Board of Trade Building.

WINNIPEG, MAN.: Room 404 Builders Exchange Building.

"The Unexpected Always Happens."

Who is there but has had brought home to him the truth of the above statement? It is always the accident that was least looked for that actually does occur. Nobody is immune from accident. Your experience and observation confirm that fact.

WISE men prepare for such emergencies by carrying an accident policy. The WISEST men see to it that that policy is an Employers' Liability Combination Policy, issued by

TORONTO

An Order-in-Council has been passed by the Dominion Government, granting the Polson Iron Works, of Toronto, a three per cent. bonus yearly for 20 years, on \$900,000, which are to be spent in building a new steel drydock and repair shop on Toronto Harbor.

Hon. J. Allard, Minister of Crown Lands, when in Montreal recently, stated that the time for bush fires was over and that the province of Quebec had been through the drought with very slight damages. The only forest fires in the province this year, had been those of Megantic and of the St. Maurice, which had not been very important by themselves, especially when compared to those of past years, or to Ontario this year.
