BEWARE OF IMITATIONS.—Since Dr. Thomas' Electric Oil has become celebrated, a number of unprincipled persons have been endeavouring to palm off Electron and Electric Oil for the genuine Dr. Thomas' Electric Oil. Beware of these similar named articles. If the originators had any faith in the healing properties of their own medicines they would, like honest men, give them a name of their own, and not try to sell them on the reputation of another; but as they know their preparations have no merit, they resort to the most unprincipled means of selling them by getting a name as near as possible to *Electric*. We therefore ask the public when purchasing to see that the name Dr. Thomas' Electric Oil is on the front of the wrapper, and the signature of Northrop & Lyman, the proprietors for Canada on the back.

Toronto, Nov. 17, 1882.
After suffering with Catarrh for many years, I placed myself under the care of Dr. Williams, Proprietor of the Ontario Pulmonary Institute, and in just one month after I was cured—I can say that I never felt better in my life, than since I was cured.

From Rev. B. F. Austin, A.M., B.D., Principal, Alma Ladies' College, St. Thomas, Ont.
St. Thomas, Ont., Jan. 3, 1883.

M. HILTON WILLIAMS, M.D.
MY DEAR SIR—In September last I contracted a severe cold, which settled upon my lungs, quite seriously affecting the lungs. I had a very bad cough, accompanied by expectoration, indicative of Pulmonary Phthisis. My strength decreased and spirits sank very low, and when I called upon you I was in doubt whether any medical treatment would avail in my case. Under your treatment I have already recovered my wonted strength and health. My strength has increased, my cough has ceased, and in every way I feel most benefited by your treatment.
You are at perfect liberty to use these statements as you please. Very sincerely yours,
F. F. AUSTIN,
Principal Alma Ladies' College, St. Thomas, Ont.
Shelburne, Ont., Jan. 4, 1883.

DR. M. HILTON WILLIAMS,
DEAR SIR—When I wrote to you a year ago last April I had a running ear for over ten years, and I was almost entirely deaf. It ran every day for that time, and I had given up all hope of it being curable, but after I commenced your medicine, I was cured in six weeks. The ear is from that time to now as good as ever it was before it overstarved to run. You will please accept my warmest thanks for the good your medicine has done to me. I am, yours respectfully,
JOHN STINSON, Shelburne, Ont.

Those who desire to consult me in regard to their cases should visit the Institute personally for consultation and examination; but if impossible to do so please write for a "List of Questions" and "Medical Treatise."
