

From the Cow to the Pail, From the Pail to the Cans
 of
The National Creamery & Produce Coy., Ltd.

Is the simple labor-saving, money-making, comfort-giving solution of the dairy problem in the Province of Manitoba.

We are the only Creamery Company that insures patrons against loss by paying by Express Money Orders, always paying the highest prices and paying promptly on the 1st and 15th of each month.

We have the largest and most sanitary Creamery in the Province, with a churning capacity of over 25,000 pounds per day.

We have the only Creamery in Canada equipped with a Cold and Pure Air Circulation System. This Air is purified by a washing process which it undergoes in passing through a spray of brine which passes over ammonia coils, thus removing all bad odors from our Creamery room and cooling our room down to a low temperature. This enables us to keep our Cream room in a perfectly sanitary condition, therefore, enables us to make the best product on the Western market, thereby commanding the highest market prices at all times.

We test every can of Cream separately and guarantee our tests to our patrons, and any farmer wishing to do so, may have the Dairy Superintendent call at our Factory, test his Cream and send him an official test of same.

Ship us a few cans of Cream on trial, so that we can show you how satisfactory are our methods of doing business.
