

What More Could You Ask?

Popular Books at Low Prices

The daily storing up of valuable information--the reading of books that will inspire to greater endeavor--the constant effort to improve oneself is absolutely essential if you wish to keep abreast of the times. **Get acquainted** with the books enumerated on this page. Every well regulated farm house needs a few books written by men and women who know just a little more than most of us

Woman's Suffrage By M. G. Fawcett, LL.D. If you want to be posted on one of the greatest movements of the times you should read this book. Mrs. Fawcett is the leader of the non-militant branch of the English Suffragists. She has written a simple, unprejudiced history of the movement in the old country full of valuable data for argument and debate. Considering its surprisingly neat binding and legible printing this little book is very low priced indeed. Send for a copy today. We have only a very limited supply on hand.

25c a copy, Post Paid to any Address in Canada.

Protection or Free Trade By Henry George. This book will enable you to fully understand both sides of the question. In it you will find valuable data for and against. This is not given in books of the kind as a rule. They generally stop short when they have shown "Free Trade" is the best plan to make work, and thus give men a chance to earn wealth. "Protection or Free Trade" is a small book but it will enable you to speak with authority on this all-important subject. Order a copy today.

Price 10c (3 for 25c), Post Paid to any Address in Canada.

The Farmers' Veterinarian By Chas. W. Burkett. You know that qualified veterinarians are not always available, and that all the ills and accidents incident to farm animals do not require professional attendance. Well, here is a book which abounds in helpful suggestions and valuable information for the most successful treatment of ills, accidents and disease troubles. A collection of the best ideas gathered from the experience of a score of practical veterinarians. Send today.

Price \$1.65, Post Paid to any Address in Canada.

Home Pork Making By A. W. Fulton. A complete guide for the farmer, country butcher and suburban dweller in all that pertains to hog slaughtering, curing, preserving and storing pork product from scalding vat to kitchen. The chapter on cooking and serving pork is quite interesting and of particular value to the farmers' wife or housekeeper.

Price 55c Post Paid to any Address in Canada.

A copy of our Book Catalog, containing a list of the best books on Agriculture, Stock Raising, Social Problems, etc. will be mailed free on request.

Farm Conveniences A practical handbook for the farm. This book will show you what to do and how to do it quickly and with least expense. It contains 240 pages and 212 engravings. In it you will find many valuable hints and suggestions for the easy and rigid construction of a large number of home-made contrivances within the reach of all.

Price \$1.10, Post Paid to any Address in Canada.

Canadian Dairying By Henry H. Dean. This is a very practical work, dealing with every phase of the question from the viewpoint of Canadian conditions. In this book the striking features are: Feeding dairy cows, testing milk, creaming milk on the farm, butter-making, marketing cheese and butter,—in fact, everything you ought to know about dairying is set forth in a simple, direct manner. Profusely illustrated and splendidly bound. The author, Mr. Dean, is Professor of Husbandry at the Ontario Agricultural College, Guelph, Ontario, and is a competent authority on the subject.

Price \$1.10, Post Paid to any Address in Canada.

The Beginner in Poultry By C. H. Valentine. Discusses the different breeds of fowl, the types of houses, feeding and kinds of food, raising chickens for the market and for their eggs, diseases and their cure, and all else which will be of value to the beginner as well as to the seasoned poultry-raiser. It is not merely the keeping or even the breeding of many fowls thru a series of years that makes a real poultryman. This book will enable you to make the real start and teach you many things you ought to know about your business.
