A NEGRO

PARIS, Oct. 31.—President Loubet, following the example set by the miners' strike, today held an extended conference with M. Vincent, prefect of the Department of Du Nord, who has been acting as the intermediary between the strikers and the mine owners in that department. The mine owners have given

PREMIER BOND RETURNS HOME

ST. JOHN, Nfld., Oct. 31.-Premier Bond has returned here from Washington. In an interview today the premier said he had succeeded in negotiating a conventon with the Washington authorities; that on October 18th the British foreign office instructed Ambassador Herbert to sign this convention, and that he then started for home from his work in Washington. The premier added that MURDERER to his colleagues in the cabinet here yesterday, and that they regarded it as eminently satisfactory. The terms of the treaty will be published as soon as pos-sible he said.

STOWAWAY RIDES IN A COFFIN

NEW YORK, Oct. 31.-Three stowaways-Johnson, Jensen and Hansen-have landed in New York, despite the immigrant officials, who were bent on shipping them back to Norway and Sweden. They came over on the steamer Oscar II, and Johnson broke the record for ingenuity in hiding himsel from Christiansand.

of Indians from the Nanaimo reserve left for Cameron lake, armed with shot-guns, rifles and hunting knives. They are after a whole winters supply of food. For years past they have made a practice of obtaining food from day to day throughout the winter, the same as in the summer, but a bad omen, the recent they arrived in New York. It was too much for Johnson. He learned that a steerage passenger had died and that his body had been inclosed in a pine box to be brought to port. Johnson saw his opportunity, and going down into the hold that night he tore the top off the summer, but a bad omen, the recent they arrived in New York. It was too much for Johnson. He learned that a steerage passenger had died and that his body had been inclosed in a pine box to be brought to port. Johnson saw his opportunity, and going down into the hold that night he tore the top off the summer, but a bad omen, the recent hours later he was dragged out after the ship had been searched from stem to stern. He was half famished and badly frightened when found.

CONCERNING THOSE CHARGES

LONDON, Oct. 31.—In regard to the charges contained in the report of United States Immigration Inspector Watchorn (on emigration to the United States by way of Canada), dated Paris, France, August 22, (and cabled here from Wash-ington), in which it is said more Paris angust 22, (and canted leter from the united States by this route, a representative of the Beaver Line said to a representative of the Associated Press:

"It is a remarkable charge, which I am quite sure is greatly exaggerated I cannot say anything in regard to emigration conditions on the continent, but I know that all of our emigrant passengers are inspected at the Liverpool dock by the board of trade physicians to see that they comply with the Canadian law. Whether one or two undesirables occasionally slip through I am sure I cannot certifies to an emigrant's fitness our re-sponsibility is ended."

ALIENATION OF AFFECTION.

Claimed by a Toronto Man Against Rev. L. W. Hill and His Brother.

TORONTO, Oct. 31.—Rev. L. W. Hill, pastor of the Parliament street Metho dist church, and his brother, Mr. Jona dist church, and his brother, Mr. Jonathan A. Hill, principal of the Pape Avenue public school, are the defendants in a suit which was issued in Osgoode Hall this morning by William W. Stoddart, a local real estate agent. The charge brought by Mr. Stoddart is alienation of his wife's affections. Mrs. Stoddart is the sister of the Hill brothers, and is at present living apart from her husband. He claims that her brothers have abetted her in leaving him and are harboring her, so that she may not return to his ted her in leaving him and are harboring her, so that she may not return to his home. The damages are placed at \$5000

Cook's Cotton Root Com

THE STAKE

MEMPHIS, Tenn., Nov. 1.—A special to the Soimilar, from Sardis, Miss., says: 'Reports brought to this city from Darling, Miss., are to the effect that a mob of 4000 persons last night burned a negro for the double murder of E. O. Jackson and a millionaire named Rose.

The negro confessed to the crime just before he was burned and implicated a white man who lived near Bridgeport. A posse was formed at once and the cap-

the prefect the names of four persons who are to represent them in a conference with an equal number of strikers. In a semi-official statement given out tonight, President Loubet expressed the hope for an early settlement of the strike, and declared the basis would be a political accomplishment beyond precedent.

SARDIS, Miss., Nov. 1.—One negro, name unknown, has been burned at the

night by a mob composed of four thousand persons from both races. Just before the lighting of the funeral pyre the captured negro confessed that he had committed the double murder with the assistance of two white men. The motive assistance of two white men. The motive was robbery, and a considerable sum was secured, which the negro stated was divided among the three. After the burning a posse went in search of the *wo white men and soon captured them. They are being held pending an investigation of their guilt or innocence, and it is believed that a double lynching will fol-low if the guilt is proved conclusively. The names of the prisoners are no

Later it was learned that the two white men were released by the mob. an alibi having been proved by saci man. No further trouble is expected to-

ton, Washington and other cities in the matter. The roads were charging from two and a half to three times as much for hauling anthracite as soft coal, he said, and he was prepared to prove the for hauling anthracite as soft coal, he said, and he was prepared to prove the said, and he was prepared to prove the existence between the roads of an agreement to regulate the tonnage, this practically being an agreement for an equitable division of the profits. It was agreed that Mr. Shearn shall present his formal position to the commission in Washington next Monday. The coal companies will be then notified and will be given fifteen days in which to

ADVANCE IN LUMBER. Attributed to the Increase of Building-Jobbers Complain.

TORONTO, Nov. 1.—The advance in the price of lumber has been very hoticeable in Toronto this summer, and the jobbing carpenters complain that it has hindered their work considerably, as people who ordinarily hired a carpenter to do small work have been doing it themselves, or have not had the work done at all. This advance in lumber is said to have frightened people of moderate means who would have otherwise have erected new dwellings or made extensive improvements to their own.

Manager Boake of the Boake Manufacturing Company, stated to the News that

Manager Boake of the Boake Manufacturing Company, stated to the News that the price of pine had gone up about 15 per cent this year, ordinary pine costing \$20 per thousand at present. Hemlock had advanced about a dollar a thousand feet. The price of hemlock was between \$15 and \$16 a thousand feet. He attributed the given in price partly to the buted the rise in price partly to the

JAP LINER DAMAGED BY GALES

VICTORIA, B. C., Nov. 1,-Mail ad VICTORIA, B. C., Nov. 1.—Mail advices from Yokohama report that the Nippon Yusen Kaisha Liner was badly damaged by gales encountered on her voyage here from Yokohama. The starboard cabins were flooded by the seas which swept on board, and a two-year-old child, daughter of Mr. and Mrs. Smythe, missionaries bound for Hong Kong, had a narrow escape from being washed overboard.

The plague has broken out in Yokohama. The authorities are taking drastic measures to prevent the spread of the

THE ISTHMUS

COLON, Nov. 1.-Nearly 1500 Colom-Meet to Hear Charges Against Coal Carrying Roads.

NEW YORK, Nov. 1.—Chairman Martin, D. K. Knapp and Commissioner J. D. Yeomans, of the interstate commerce commission, held a brief session here today, and heard a statement of the charges Lawyer Clarence D. Shearn said he desired to make against the anthracite coal carrying roads. The latter asking him to fix a meeting. No response has been received to his letter asking him to fix a meeting. No response has been received to his letter asking him to fix a meeting. No response has been received to his letter asking him to fix a meeting. No response has been received to his letter asking him to fix a meeting. No response has been received to his letter asking him to fix a meeting. No response has been received to his letter asking him to fix a meeting. No response has been received to his letter asking him to fix a meeting. No response has been received to his letter asking him to fix a meeting. No response has been received to his letter as yet. It is understood that M. Gerault Richard's office this afternoon, and it was rumored that they were to leave the cars near the Abernilla station. Several hundred insurgents are reported to be at San Pablo (about half way across the isthmus) and in the surrounding hills. A large number of rebels also have been seen off and on at all the stations between Abernilla and Culebra. For the first time since the United 'States forces undertook to maintain free transit across the isthmus the train which left here this afternoon with government troops did not fly the American flag non were any marines aboard it. The troops were any marines aboard it. The troops were armed and carried a large supply bian troops boarded a train at Colon were any marines aboard it. The troops were armed and carried a large supply of ammunition. They traveled on open cars. Nearly a thousand troops left

Panama also this afternoon for some station along the railroad.

Rear Admiral Casey, commander, evidently sanctions the transport of troops, as it is considered impossible to end the strife on the isthmus if skirmishing along the railway is allowed. News of fighting may be received at any moment. There is much speculation here regarding the insurgent general Herrera's course of action, in view of the new policy of the government.

A FEW CONDUCTORS SENTENCED. And It Was a Poor Day For Conduc-

this morning sentenced the ex-street railway conductors guilty of stealing fare boxes by using diggers as follows: Conductor Shea, who pleaded guilty, six months; Howland and Ruman two years, and two others shorter periods. Seven more conductors have yet to

MR. BRODERICK TO MARRY.
