

ASSOCIATION FOOTBALL—LAST NIGHT'S GAME

Collegians Defeat St. Bon's by Score 3 to 1 in Fast Clean Game

CHAMPIONS FOR 1915

Game Finished in Darkness—Higgins and Smith of St. Bon's Meet With Injuries

Before a large gathering of spectators the Collegian-St. Bon's match resulted in a win for the Collegian boys by a score of 3 to 1, in what was probably the best game for the season.

Last night's victory gives the Collegian team the Championship for the season of 1915 and we congratulate Capt. Barnes and his team mates on their good fortune. They have played good football all through the season and worked hard to regain the championship.

Although the game was called at 6.45 p.m. it was 7 o'clock before the game started.

The Collegians took the Eastern end of it in the first half. Immediately the ball was put in motion they made a rush of the St. Bon's territory but could not pass Power and Higgins who put up a magnificent defense. Shortly after, Higgins had to leave the field and seek 'first aid' to his knee. During his absence the Collegians through Heath scored the first goal for the evening.

No further scoring was done and the teams crossed over at leaman time with the score in favor of the Collegians.

The second spasm opened with a rush on the St. Bon's goal. Nothing resulted from it, however, and the ball was taken West by St. Bon's forwards only to be repulsed by Quick who played his usual good game. Some few minutes after, Billy Callahan got away with the pigskin and after a magnificent run up the field succeeded in banging in the equalizer, amidst the great applause of the supporters of the Blue and Gold.

Both teams then settled down to business. The Collegians realized that a draw would mean another game for them and a defeat would finish their changes of the cup for this season. The St. Bon's were bent on scoring again and Kelly barely missed second in the second one, the ball just grazing over the cross bar. A few minutes delay was now caused by Smith of the St. Bon's, getting knocked out for a few minutes. He resumed play shortly after only to meet with a bigger misfortune later on.

The Collegians were now pressing for all they were worth and after several desperate attempts to score Gear succeeded in sending in the second goal for his team.

Darkness was setting in fast now and it was hard work for the players to see the ball. Nevertheless the St. Bon's made many attempts to even up the score but they could not get past Quick, who seemed to be everywhere. Charlie missed what looked like an easy goal; having cleared all opponents, he was travelling fast for the uprights when he over ran himself and lost control of the ball which went a back.

Some time after Gear securing the ball, came down the line as fast as Johnny Hayse would do it, and had a shot at Knight, the latter cleared but Gear again secured the ball and banged in the third goal for the Collegians. Shortly after the ball was re-centred Smith of the St. Bon's met with a nasty accident which will lay him up for some time. Coming in contact with one of his opponents in some way or other got his leg broke and play was discontinued. Only one minute remained to play before he met with the misfortune. Mr. W. J. Higgins was referee and the players wore:

COLLEGIANS—Goal, Wornell; backs, Quick, Halfyard; halves, Pike, Barnes, Pike; forwards Coultas, Ellis, Kendrick, Heath, Gear.

ST. BON'S—Goal, Knight; backs, Power, Higgins; halves Keegan McGrath, Crawford; forwards, R. Callahan, Kelly, Smith, W. Callahan, Devine.

NOTES ON THE GAME The game was called for 6.45 p.m. and should have started on time. No referee should wait 10 or 15 minutes for any player.

Had the time lost waiting for players to put in an appearance not been granted, the game would have finished in a more satisfactory manner.

The St. Bon's played a rattling good game and made the Collegians go the pace from start to finish.

Capt. Higgins and his team are deserving of better luck. They certainly have material in their team for championship honours.

Billy Callahan is some traveller as well as a neat player. Had he been given more play in the second half might have done something.

Never Again to Get Control

(Editor Mail and Advocate.) Dear Sir,—Your article under the heading of "Are we Stranded" in your paper of the 10th inst., read in conjunction with the various rumours now heard on all sides about coalition and confederation—is causing all hands to set up.

The subject is too big and the date is too early to discuss the matter at length, suffice to say that the patriotism of the people may cause them to consider union with Canada if necessary, but those who created that necessity are never again to control the destinies of this colony, as a part of the Dominion or otherwise.

Yours truly, CORRESPONDENCE. Placentia, Aug 12, 1915.

PERSONAL

Mr. Hy. Saunders, Supt. of the Anglo-American Telegraph Coy. has been ill the past few days and confined to his home. He is now improving and will be about again in a day or two.

Mr. King, the efficient first officer of the steamship Florizel, who has been visiting the old home in Arishab, is again at his post, working as jolly as ever. Mr. King has been upwards of thirty years sailing to Newfoundland, twelve of which were spent in the service of the Red Cross line. During this time he has made himself a host of friends, and as an officer of the Red Cross steamers, is deservedly very popular. Mrs. King, whose health has lately been somewhat impaired is, we are happy to state, recuperating under the genial influence of the Cape Breton home, whether she has lately moved from her New York residence. Mr. King has a son well-known here, having frequented this port, during the days of the good ship Rosalind, but who is at present serving on the C.G.S. Sable, in the St. Lawrence patrol.
