## RECIPES FOR HOUSEKEEPERS

sealed air-tight they are placed in a boiler filled with cold water and stir enough confectioners' sugar brought to the boiling point. Berries into a teaspoonful of raspberry Jam or split one thick cake; put in bepoint is reached, while large fruits, such as peaches, cherries, plums and apricots, should get 20 to 30 minutes.

boiling. Keep cover of wash boiler

A Good Substitute for Can Rubbers. When about to close a jar of preserved goods, the housewife very often finds herself short of a rubber band, or else the last one breaks. very good substitute can be made from newspaper. This is better than other paper, because, as plumbers say, "it packs better." They often use it to make small pipe joints air and water tight. Cut several layers of the paper the required size, pu them on the can and screw the lid down as tightly as possible. If pre-ferred, rings of soft leather, cut from the tops of old shoes, may be but they are not as satisfactory as those made from newspapers.

Raspberry Crown. 2 Tablespoons water, 2 table-spoons corn starch, 1 cup boiling

Raspberry Vinegar.

Raspberry Creams.

The Recipe.

The fruit is prepared in the ordinary way, the jars are cleaned and scaled while the rubbers and tops are boiling. The fruit is then placed in the ljars, in which COLD water is placed. When the jars have been scaled air-tight they are placed in seeled air-tight they are placed in seeled air-tight they are placed in the light of the seeled air-tight they are placed in the light of the seeled air-tight they are placed in the light of the seeled air-tight they are placed in the light of the seeled air-tight they are placed in the light of good vinegar, let it stand 24 sugar, with which a teaspoonful of flour has been mixed; stir together the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has been mixed; after the sugar, with which a teaspoonful of flour has b
