WHEEZY COUGH and ASTHMA

this, and not with the manner of a Frenchman who has made a fine art ENO'S LIGHTNING COUGH CURE of life, but with a good-hearted plea-It is quite wonderful how Veno's Lightning Cough Cure overcomes those wheezy coughs that are so troublesome. The reason is that Veno's losens the phlegm which causes the cough, and so the sufferer gets relief at once. In Asthma also Veno's is one of the highest value. It gives tone and strength to the bronchial system, and helps nature to throw off the complaint. As 't contains no dope, it may be taken freely during attack. Price 30 cents It is quite wonderful how Veno's sure in mere human contacts.

is That Every Moment is Precious

NATURAL-NESS WINS

Nothing of the Professional About Him, Says Writer

C. W. Gilbert writes to the New ork Tribune from Washington: "Papa" Joffre, the French call him and it is not possible to get closer to the truth of a man's personality than vents such a title as this for one it

offre he shall be. You could think of Mr. Balfour as ypically British, in an easy, card-n-dexing way, or of M. Viviani as ypically French, or of M. Havelacue—a Frenchman speaking English polished that not six men in Washington can match it—as typially cosmopolitan, in the best sense of the word. But Marshal Joffre eady classifications. He is a wonderlacking self consciousness.

Take this quality of self-consciousss. The Anglo-Saxon always has it vith him. He stares feebly at ceilings and exercises the devil with strange meaningless motions of his hands, but himself he can never for-get. The Frenchman has erected elf-consciousness into the art of hidng self-consiousness—an art which

man. It is full of surprises.

Washington "Speeds Up."

It is given to no one to know what tomorrow's battlefields or tomorrow's diplomacy or to-morrow's scientific laboratories may bring forth. That is the message.
These commissioners come from nations that were slow. Therefore they may not criticise but down in their hearts they know, too, that their nation's blunders afford us no excuse. The whole process of getting ready may

The great increase in the number of later of crop-destroying insects of later of l

blunders afford us no excuse. The whole process of getting ready may be speeded up now that the way to speed has been painfully learned large number of birds in our fields it speed has been painfully learned large number of birds in our fields it is only necessary to recount the extinct the large number of birds in our fields it is only necessary to recount the extinct that the first read in the field of the benefits to said she had read of a case of St. Vitus Dance cured by Dr. Williams' pink Pills, and we decided to give be speeded up now that the way to speed has been painfully learned abroad. As Marshal Joffre said in response to a question: "With the French and the British example to help, your soldiers may be got ready more rapidly than the British soldiers were."

"No moment must be lost;" that is the way I read the message these representatives from France and England bring, and the message is unmistakably being heeded. There is an infinite distance still to go, but we are on the road.

But in talking of this message I am wandering from the way in which the message was delivered by the message, read the message of the war and one we must now come to know and love. He came up upon the newspaper firing line with that ease vided for by law. but if an increase

and one we must now come to know and love. He came up upon the especially insectiverous ones, is pronewspaper firing line with that ease which only simplicity possesses. To get things immediately on a perfect be brought about, more than just praise to an Australian correspondent upon the bravery of the the bravery cpart where the birds may nest without being disturbed.
