QUESTION OF

Discussed at a Banquet in Ontario

Mr. Justice McMahon Says Archbishop Ireland is Broad-

At a farewell banquet given by the Catholics of Ontario to Monsigner Falcoule, Apostelle Delegate to Canhole of the twenty-eight dele ada, Mr. Justice McMahon tendered the convention to be held at the departing guest a few words of advice in a particularly happy vein In proposing the toast of "Canada, rom District No. 2, have Our Country," His Lordship said Canada possessed as happy, as prosperous and as contented a people as there were on the face of the earth. It was a land of great promise, and if there was wanting any demonstration of the fact, it was to be found in the request made a few days grothat at least one of these and acceded to by the province of live the support of the con- Ontario, that twenty thousand of and only one nominated. G. the inhabitants of the United States should take possession of a few milhon acres of our territory. That had been acceded to with some reluctance by the premier of Ontario, Mr. Ross One would imagine, and properly imagine, said Mr. Justice McMahon, that there was a deep-laid scheme on four part to annex the remainder of man whose name has not the United States to the Dominion th heard of in the recent po. of Canada as shon as opportunity of essip. It is known that Dan fered. The significance of the follow ray has many friends who ing portion of the speech lies in the petition asking him to run fact that Mgr.
