FOR SALE—One Superior Cow, new milch. Apply to G. A. FORSYTHE, North Alton. 2ox

July 1st is not a day in which Rev. T. C. Mellor and Mrs. Mellor can join very heartily in a celebration. It is the first anniversary of the death while in action of this beloved son Lieut. Frederick G. Mellor.

People are complaining that there are too many young children running around our streets after dark, unattended. Here is a hint to the truant officer and also a warning to some parents who are letting their children run wild.

Mr. Harry Amberman with his daughter Dorothy returned from Kentville to Grandview on Monday June 25.

Mrs. Fred Adams of Bay View, Digby Co. is a patient at the Sanatorium.

Mrs. Russell D. Lewis and Mrs. Lewis of New York are spending a few days in Kentville. They will spend the summer months at a cottage at Kingsport.

A large number went to Aylesford yesterday to attend the races.

Many of our citizens went by train, auto and team to Capling yesterday.

The engagement is announced of Miss Lois Mosher, daughter of the late Mrs. M. Kilcup of Kentville, N.S., to Sergeant Sisbee Emmerson of Salem, Mass., who is now with the 4th Field Artillery, U. S. Army, stationed at Panama.

Mr. A. B. Ward has the roof placed on the front part of the new Strand building. This part contains a large store for P. A. Margeson, Pruggist, and he expects to occupy it in August. Mr. Margeson's present store is well located and finely arranged but since starting his business has outgrown the premises, hence a larger store was required.

KENTVILLE TOWN COUNCIL PETITIONS GOVERNMENT FOR PROHIBITORY ACT

At a recent meeting of the Kentville Town Council the following resolution was passed unanimously and ordered to be forwarded to Premier R. L. Borden:

The Rt. Hon. Sir R. L. Borden, Premier of Canada,

Dear Sir:

At the June meeting of the Town Council, a resolution dealing with Dominion Prohibition was unanimously passed:

Resolution

In view of an almost world wide movement in favor of the suppression of the liquor business, and Canada's ambition to be in the front rank of all that makes for her betterment, and considering the action taken by a majority of the Province within the Dominion in passing prohibitory laws. Also, in view of obstacles met in attempting enforcement of the Nova Scotia Temperance Act in our Town and County, particularly at and near Camp Aldershot; because of the legalizing of shipments from Montreal and other points outside our Province, we are in favor of the passing of an Act prohibiting the manufacture, importation, and sale throughout the Dominion of Canada of all alcoholic liquors, for at least the duration of the War, and the reconstruction period following.

We do hereby petition your Government to take immediate action toward affecting such a law.

This resolution will have the full approval of the citizens generally and other Towns and Municipalities should unite their support with the various religious organizations, reform and temperance societies in a similar petition. The Government is in receipt of them in large numbers every week from all over the Dominion.

### RUSSIANS HAVE RESUMED SEVERE FIGHTING

The soldiers of new Russia have assumed the offensive. For the first time since the revolution last March Russian troops have begun an attack on an extensive scale. Along a front of eighteen and one-half miles in the region of Brzesany, Galicia, Russian troops have stormed the German positions. Berlin says the Russians suffered heavy losses and were compelled to retire before the German fire. The attack was made between the Upper Stripa and the Narayuvka River, a tributary of the Galits Lips, in the section southeast of Lemberg, the Galician Capital, where the artillery firing has been heavy recently.
