O. R. A. MATCHES.

Begin Auspiciously But With Fewer

Attending Than Last Year.

Long Branch Rifle Ranges, Aug. 22.—

Nearly 300 marksmen faced the tar-

get yesterday at the opening of the

Ontario Rifle Association matches.

There are not so many as last year

by forty. It was a whole day of bright

light that suited most of the mark-

smen, but the wind was strong from

the southwest, and during the early

part of the day was gusty, getting

steadier, but blowing hard during the

afternoon. All this taken into consid-

eration, the shooting was considered

very good.

The Canadian Club match at 600

yards, Q. M. S. Dymond, Canada S. of

M. did some beautiful shooting, scor-

ing seven successive bulls' eyes, and

winning the first prize.

Cadet H. E. Moore, Guelph, made a

possible at the 400 yards range in the

Squad Company match. Cadet-Sergt.

Charles Dumas, also made a possi-

ble at the same range.

Pte. J. M. Jones, 13th Regiment, a ty-

ro, gained fourth prize in the Cana-

dian Club match with a score of 24

the inner was scored on the sixth

shot. Sergt. Gould, who came next,

made six successive bulls' eyes and

finished up with an inner.

In the Canada Company match the

statistical officer is unable to name the

winners of the three team prizes of

\$25, \$20 and \$15, respectively, as the

score cards of three members of the

Queen's Own team were not turned in,

and they could not be located last night.

The individual special prize of \$25

in the Canadian Club match will cause

some dispute. Major Hays, 7th Fus-

iliers, London, with a score of 24, claims

it, although the London team was en-

tered in the competition the individual

names composing the team do not seem

to have been received by the statisti-

cian, and in this event Major Hays is

out of it, but will enter a strong pro-

test. Several other ties will be shot

this morning.

Canadian Club Individual Prizes.

ment, 34.

scores of 35 to 25 were given.

lows: 1. Royal Grenadier, A team

son 74, Sergt. D. Craig 72, Sergt. W. Kelly

Cadets' Prizes.

Cadets' Prizes. The cadets' match, open

to one team of six pupils from any

school having a cadet corps recognized

by the D. O. C. of any military district

in Ontario, ranged 200 and 500 yards,

five rounds at each range, prone. Owing

to irregularity of some of the teams

entering and close scores, the statisti-

cian officer, Col. Wallace, said he would

consult the match committee before an-

nouncing the team winners.

The individual winners of the Brough

prize in the aggregate of the Cana-

dian Company and cadet trophy matches

were:

\$25—Cadet-Sergt. R. Shaver, Dundas,

92.

\$15—Cadet A. Moore, Guelph, 90.

\$10—Cadet Wm. Mallett, Dundas, 81.

The first stage of the City of To-

ronto match, \$400 and gold medal pre-

sented by the city, at 500 and 600 yards

was shot and the second stage—the

first 60 in the first two ranges, will

shoot in the second stage to-day.

Sympathy With Lord Curzon.

Sinjia, British India, Aug. 22.—

Among the public general sympathy is

being expressed for Lord Curzon of

Kedleston, Viceroy of India, who for

eight weeks has been confined to his

bed, from where he conducted his fight

single-handed against the Cabinet.

There is widespread regret that he

has felt himself obliged to resign, de-

spite the almost unanimous support of

the press and commercial bodies.

The friends of Lord Kitchener are

jubilant, and the Commander-in-Chief

of the forces now stands as the De

Facto Viceroy, with his prestige great-

ly enhanced. In the opinion of the

native Lari Kitchener's power is su-

preme.

Death In a Box.

New York, Aug. 22.—Gun cotton

enough to kill a man, arranged in an

internal machine and disguised as a

cigarbox, was received yesterday

by Precinct Capt. Miles O'Reilly. This

is the third deadly explosive instru-

ment of a similar construction sent

through New York mails in the last

four days.

Exhibit of Insect Pests.

Guelph, Aug. 22.—An exhibit of insect

pests and fungoid diseases, which at-

tack fruit trees, will be seen at the

Toronto Fair. It is being prepared by

the biological department of the On-

tario Agricultural College.

Shah Is Safe.

Vichy, France, Aug. 22.—A report cir-

culated to the effect that an attempt

had been made on the life of the Shah

of Persia is denied. Yesterday he was

attending a shooting tournament.

Will Speak at Ottawa.

Ottawa, Aug. 22.—Vice-Admiral

Prince Louis of Battenberg is to be

the guest of the Canadian Club of Ot-

tawa at luncheon Thursday.

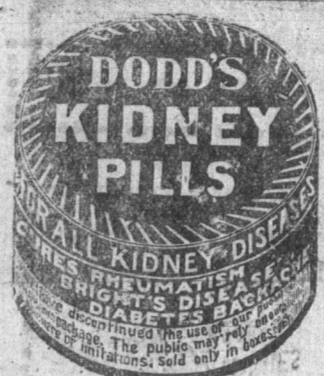

Earl of Romney Dead.

London, Aug. 22.—Charles Marsham,

fourth Earl of Romney, died yesterday,

at the age of 64. He was president of

the Marine Society.

Richard Brummage is Travelling
Round the World—An Interesting
Story.

Passing through Chatham is Rich-

Brummage left London, Eng., June

1, 1900, and went out with the de-

termination to walk around the

world. He has traversed England,

France, Belgium, Germany, Denmark,

Sweden, Norway, North Cape, the

land where the sun never sets; Por-

land, Finland, Russia, into St. Peters-

burg, Warsaw, Odessa, Moscow, and

all the principal cities of Russia, and

tried to go to Siberia, but passport

failed. Went into Teperan, Afghan-

istan, Belucistan, across the Hima-

layas to India, went down West

Coast to Madras, took passage for

Ceylon and saw Sir Thomas Lipton's

famous tea gardens, from there took

passage to Sicily, then to Rome,

Venice, Naples, through North into

Servia, saw famous palace at Belgrade

where the recent frightful massacre

took place. Thence to Greece, Tur-

key, and across into Arabia, and the

principal cities there. In Bavaria he
