WALKERS MAY GET THE P. M. BACK

Windsor, Ont., Dec. 7.—That the Lake Erie & Detroit River Railroad disposed of by Hiram Walker & Sons, Walkerville, to the Pere Marquette will soon revert to the Walkers is the belief of men well posted in railway affairs. Mr. E. C. Walker tonight practically admitted possibility. F. H. Prince and Newman Erb bought the road for \$3,000,000, but no cash was paid, it is asserted. Instead, Pere Marquette bonds were deposited with a Canadian bank as security. The basis for the anticipated reversal to the original owners is the Pere Marquette's inability to comply with the terms of the contract. Whether the securities deposited as collateral will be forfeited is uncertain.

POOR SEWERS

Ald. Ainsworth Reports That Manholes and Intakes are Filled With Filth

Ald. Ainsworth, a member of the Board of Works, announced the fact that the manholes and intakes around the city are in a surprisingly bad and disgraceful condition.

For the past two days Inspector Mounter and Ald. Ainsworth have been inspecting the sewer manholes in South Chatham and in nearly every case they found them choked up with filth.

"I was surprised to find the manholes in such bad shape," said Ald. Ainsworth to The Planet this morning, "and at the next meeting of the Council I shall move to have every manhole in the city cleaned out at once. We found matters in a very deplorable condition. In every manhole we inspected in South Chatham we found from two to four inches of filth, and half the sewers are not running at all. On Wellington street the sewer is not working on this account. The catch-basins and intakes are also clogged up in the most of cases.

To-morrow we will inspect the manholes in North Chatham, where several complaints have been made. "These sewers will, of course, have to be cleaned out and flushed right away. In many cases we found the bottom of the manholes on a level with the sewers, rendering the manholes useless. These will all have to be deepened to make a catch basin for the sewers."

BUSY SESSION OF THE BOARD

Continued from Page 1.

any members of the local Board of Trade. Present? There were some tariff matters we were to take up if there is anyone here to say anything.

No representative, however, was present.

County Commissioners Surgis, Haggart and Ross, for the County Council, presented the joint petition of Elgin and Essex counties for the same classification and rates for the shipment of beans as prevailed for other grains. Mr. Ross also drew attention to alleged unfair regulations which governed the shipment of live stock.

D. A. Gordon, M.P., in a short address heartily co-operated in what had been said concerning the classification of bean shipments. He pointed out that in this locality, wheat raising was largely a thing of the past, and the farmers had to rely on the bean crop. If there were a lower rate the farmer would benefit. Mr. Gordon pointed out that the wheat was ground up and shipped in bags and barrels at the grain rate, while the farmers had the beans picked but got no consideration in the shipment rates.

The commission adjourned until afternoon.

GOES TO TORONTO

F. O. Harrison, for the past five years connected with the local branch of the Standard Bank, has received notice that he will be removed to the head office department, Toronto. He leaves for Toronto on Saturday and will be succeeded here by A. L. Thompson, of Brantford. Mr. Harrison, or as he is more popularly known, "Harry," will be much missed in Chatham. During the five years he has resided in Chatham he has made many friends. There is probably no other bank clerk in the city who is more popularly known or more highly esteemed. His many friends congratulate him upon his advancement and join in wishing him health and success.

Cured of Drunkenness

How a Montreal lady cured her husband of drunkenness with a secret home remedy.

"I want to tell you that tasteless Samaria Prescription has entirely cured my husband of drunkenness so quickly and simply that I am astonished. How glad I am that I confided in you and wrote for your free sample package. The sample tablet I got from you checked his drinking, and before I had used the full treatment he was permanently cured. I gave him the remedy in his tea, and as it had no taste or smell, he never knew he was taking it. I want others to know so you can use this letter, but please not my name yet. I may say that my husband's health is better in every way than for years."

Free Package and pamphlet giving full particulars, testimonials and price sent in plain sealed envelope. Correspondence strictly confidential. Address: THE SAMARIA REMEDY CO., 11 Jordan Chambers, Jordan St., Toronto, Canada.

The Foresters of Dover Centre are holding a concert to-night and a number from Chatham will attend. W. Chrysler, of this city, will take part in the program.
