Presentation.

The Baptist Sunday-school of this place recently manifested their appreciation of the faithful service of their treasurer, Miss Ernie Bishop, by presenting her with a purse accompanied by the following address. Miss Bishop has had charge of the finances of the school for the past six years, succeeding her brother, the late Kenneth Bishop, who filled the position for a number of years.

Miss Bishop.—Considering that for several years you have acted as Treasurer for our Sunday-school, we now desire to make some formal acknowledgement of your services. You have been faithful and painstaking and have spent much time in our behalf. For this we feel deeply grateful, and as a token of our appreciation of your efforts, we ask you to accept the accompanying token, trusting you may long continue in the office you have so cheerfully and faithfully filled for so long a time already.

In behalf of the school,
G. H. WALLACE,
Superintendent.

Obituary.

Information has been received of the death of Mrs. W. W. Thomson on the 30th of January last at Riverside, Cal. Mrs. Thomson was for two or three years Teacher of Vocal Music in Acadia Seminary. After leaving Wolfville, she taught in Pennsylvania. Failing health compelled her two or three years ago to leave her chosen employment. She is remembered as an enthusiastic and successful teacher. The custom of public recitals by the pupils of the Seminary was inaugurated during her connection with the school, and she contributed much to the success of the undertaking. She was a favorite with the body of the students, and many of our readers will not with sadness this announcement of her death.—*Acadia Athenaeum.*

Fraternal Visits.

Last Friday evening "Lily of the Valley" Division, of Fort Williams, was visited by "Gaspera" Division and "Evangelists" Division of Grand Pre. Notwithstanding the bad state of the roads there was a large attendance and a very enjoyable time is reported.

On Thursday evening of last week "King's Own" Division, of New Minas, and "Safeguard" Division, of Sheffield Mills, paid a fraternal visit to "Lake" Division, Billtown. The hall was filled to the fullest extent and a good program was given by members of the three societies. A most enjoyable evening was spent.

About thirty-five members of Wolfville Division drove over to Canaan on Thursday evening of last week and paid a fraternal visit to Canaan Division. After the business of the Division was over quite an extended program was given by members of both Divisions. Refreshments were served about 10:30 o'clock, and at eleven the meeting came to a close. Wolfville Division returned after spending a very pleasant evening which will long be remembered.

Mr. J. F. Herbin has on exhibition a gold and silver medal of his own make, which he has given to the high school of the town. The pupil making the highest general average will become the happy possessor of this beautiful medal. The work speaks well for the generosity and skill of the donor.

The students and some of the townspeople took advantage of the moon light nights good roads and Mr. Balcom's fine team of four blacks to visit Kentville and Canaan last week. If the noise made is an indication of the good time they were having, they must have enjoyed themselves most thoroughly.
