

EPPE'S CORN—GRATEFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well selected corn, Mr. Eppe has provided our breakfast table with a delicately flavoured beverage which may save us many heavy doctor's bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fastidious habit by keeping ourselves well fortified with pure blood and a properly nourished frame. *—Civil Service Gazette.*—Sold only in packets labelled: "James Eppe & Co., Homoeopathic Chemists, London." Sept. 26, & 27, 9m.

Born & Co., have received American and Canadian brass and enamel preserving bottles which they are selling extremely low. They have also pure Paris green—warranted to do its work—price as low as most of the adulterated stuff sold.

BOOTS & SHOES

A pious child of the Scottish Kirk, on his way to service on a Sunday morning, saw a little girl and boy playing marbles. He was fully inquired, "Boy, do you know where children go to school?" "Ay, ay," answered the boy, "they gang down to the field by the bridge." "No, no!" roared the elder, "go to hell and are burned!" The little fellow looking shocked and frightened, called to his sister, "Come awa, Jeanie; come awa, here's a mon swearing awfully."
