Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhœa and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

Dr. G. C. O'Connell,

Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the moral interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

RECENT DISCOVERIES

Have demonstrated that all the organs of the body are under the control of the brain, and that when the brain is diseased, the organs of the body are also diseased.

These are the organs which they supply with nerve fluid and control the body below the injured point, because the nerve force is prevented by the injury from reaching the paralyzed portion, it will be understood how the degeneration of the nerve centres will cause the degeneration of the various organs which they supply with nerve fluid. At least two-thirds of all chronic diseases are due to the imperfect action of the nerve centres at the base of the brain, and not from a derangement primarily originating in the organ itself. The great mistake of Physicians in treating these diseases is that they treat the organ and not the nerve centres, which are the cause of the trouble.
