## SERIOUS CASE.

### North Bay Man May be Charged With Murder.

North Bay, Ont., Jan. 3.—Maurice Ryan, who made his headquarters at North Bay for some time, but disappeared two months ago, was captured yesterday at Haliburton. He was recognized from descriptive circulars sent out some time ago by Provincial Detective Grier, asking for the arrest of Ryan. The prisoner was brought to North Bay tonight to stand his trial on a charge of robbing a young man from Nova Scotia, who stopped over in North Bay on his return from a trip to the Northwest. Ryan is accused of deceiving the victim about some money from a lungey. Ryan was taken from the vehicle, and, after beating him to unconsciousness, robbing him of a large sum of money.

A graver charge will be lodged against Ryan, however, if being alleged by the authorities that he murdered and robbed his own brother fifteen months ago.

### TRIED TO MURDER. SUICIDE AT OTTAWA

#### A MAN FROM PETERBORO' ARRESTED AT PITTSBURG.

Silas H. Pearson, a Young Carpenter, Admits Shooting Jacob Knoedler at Willock Station While Attempting to Rob the Latter's Store.

Pittsburg, Pa., Jan. 3.—Weakening at midnight under the fire of cross questioning leveled at him by George H. Waggoner, chief of the county detectives, Silas H. Pearson, twenty-six years old, of Peterboro', Ont., broke down and confessed to the shooting of Jacob Knoedler, of Willock Station on the night of November 24th, and the entering of his store. According to the statement, the work was a "one-man job."

He was placed in the county jail, a self-confessed criminal, five hours after his arrival in Pittsburg from Canada, accompanied by his wife. Testimony secured against him by detectives was too strong for him to resist. After the first session of grilling to which he was subjected, he was allowed an hour in which to ponder over the matter, and gave in quietly when again attacked. In his signed confession he says:

"I hereby voluntarily state that on the night of November 24th, at 10 o'clock, I entered the store of Jacob Knoedler, at Willock Station, in Baldwin township, and when surprised by Mr. Knoedler shot three times, but do not know how many times I hit him. This statement is made voluntarily by the signer, Silas H. Pearson."

In a lonely cottage in the country near Ayrrook, Pearson's body from apparently many raids was found by detectives. He left for his home at Peterboro', Ont., shortly after the shooting of the merchant. Chief Waggoner received a tip that he was after a burglar wanted only a week ago and had been watching for him since then. He was employed as a carpenter in Kelly's construction camp, building a county road near Willock Station. Mr. Knoedler, his victim, was shot in the head, chest and breast, and is still in the Mercy Hospital, where he may die. He was shot down as he was about to close his store door at Willock. Efforts have been made to identify a dozen suspects with the crime, and four men were under arrest for a time.

The testimony of Harry Coot, a former "pal" who served a term for robbery they committed in partisanship at Altona two years ago, and admissions made by Pearson's wife made a strong case against him without other evidence.

### ROBBED BANK.

#### Man Voluntarily Surrenders to Police at New York.

New York, Jan. 2.—A secdly-dressed man came to police headquarters to-night and told the officers he desired to give himself up. He said his name was Moses Friedman, twenty-one years old, and was in charge of a branch bank of the Northern Bank of St. Petersburg at Rogoff, Russia, in March, 1906. He absconded with \$70,000 of the bank's funds, coming to America. He travelled all over the United States, he said, but in now practically penniless, having only fifteen cents left. He said he wanted to be sent back to Russia, where, he asserted, he has wealthy and influential relatives who will come to his aid.

### GAS CAUSES FIRE.

#### Paris Factory to be Rebuilt--Today's Voting in Brantford.

(Special Despatch to the Times.)

Brantford, Jan. 4.—The home of Mr. Walter B. Donkin, 200 Brant avenue, was badly damaged here on Saturday morning as a result of a fire which resulted from an ignition of natural gas in the cellar. The ignition was caused by an overheated furnace, a cap near the meter becoming melted and allowing the full pressure of gas to escape. The blaze was a lively one and on the arrival of the fire department the back part of the house was enveloped in flames. The damage will amount to \$1,000. The fire took place in the absence of the owner, who is a teacher at the Institute for the Blind. On entering the residence Mr. Donkin found that considerable of his household effects were missing and the matter was reported to the police.

WILL REBUILD.

President Sanderson, of the Harold Sanderson refrigerator factory which was totally destroyed by fire at Paris on Christmas morning, has announced, after a meeting of the directors, that the company will rebuild its plant on a larger scale at Paris, on a site near the present Plow Works. The Board of Trade and Town Council have provided the company with temporary quarters in town buildings. The announcement was received with satisfaction by Paris people as it was feared the factory might be taken elsewhere.

HEAVY VOTE.

One of the heaviest votes here on record will probably be polled today in the local municipal elections. The contest for mayor between Mayor Bowly and Ald. Wood is very close. Things are so uncertain that there is little or no betting on the outcome. It is not believed generally that the Citizens' League will be successful in securing a local option council, although candidates are in the running in all the wards. The vote on the power-by-law will be watched with great interest here, in view of the fight that has been waged in connection with it.

### TEMPLARS.

#### International Juvenile Temple Celebrates Its Second Anniversary.

One of the best meetings held under the auspices of International Juvenile I. O. G. T. Lodge took place on Saturday afternoon, it being the second anniversary of Temple's organization. Mrs. D. B. Smith, S. J. W., assisted by Miss Ruby Patterson, C. T., presided over a record attendance of members and adult lodge friends, and admitted two candidates into membership. Immediately after business, all sat down and did ample justice to many good things served in first class style by members of the adult lodge. The programme was provided by Misses Nellie Green, Midge Lyle, Annie Armstrong, and Masters Ernie Lyle and Freddy A. Ambrose.

A. H. Lytle, Grand Treasurer, gave a rousing address to the children while Percy Bearham, an officer of the Hope of Brantford Lodge, Brantford, contributed a sacred solo. An interesting departure was the first platform appearance under the leadership of Mrs. C. A. Hardy, with Miss Lizzie Smith as pianist, of the International Juvenile Chorists, who rendered several favorite choruses in good style, judging from which a bright future is predicted for them.

### ROSE COMES BACK.

#### On Way From Huntingdon With Toronto Officers.

Toronto, Jan. 4.—Alexander Rose, the Toronto jail-breaker, who was arrested recently in Huntingdon, Va., on charges of robbery, is being brought back to Toronto to face sentence for the murderous assault on Miss Ethel Skitch nearly a year ago.

A telegram also conveyed the interesting news of the arrest of William D. Jones, one of Rose's companions in the escape from the Toronto jail. Jones' arrest came shortly after the arrival in Huntingdon of Inspector Duncan and Detective Dpton. Jones will be sent to Newcastle, Penn., for trial on a charge of jail-breaking. It was on this charge that Jones was being held in Toronto at the time of his escape.

Don't Use the Knife.

### FARMER GORED TO DEATH.

#### Was Killed by Bull in Field at Danbury, Conn.

Danbury, Conn., Jan. 3.—James Reynolds, a wealthy and prominent farmer, was gored to death by a bull in a field on his farm near the town of Danbury today. The body, terribly torn and mangled, with the face crushed in, was found by his son, Theodore, this afternoon lying face downwards in one corner of the field, while all about were evidences that a fierce struggle had taken place. The medical examiner expressed the opinion that the animal after killing the farmer had trampled on the body and tossed it about. Mr. Reynolds was sixty-three years of age.

### New Trade Commissioner.

Ottawa, Jan. 3.—The Trade and Commerce Department has appointed R. H. R. Pousset to the Canadian Trade Commissioner in South Africa, with headquarters at Durban. Mr. Pousset is a native of Sarnia, but for some years past has been in business at Durban. His appointment makes the second Canadian Trade Commissioner in South Africa, the other being Mr. Chesley, of Cape Town.

Mrs. J. McGrath, an old lady of 80 years and more, was found dead in her home, 22 Gildersleeve Place, Toronto. Death had probably taken place a couple of days previous, and the apparent cause was old age and lack of proper care.

Peter Boyd, aged 91, the oldest diver on the Great Lakes, is dead at Detroit. Boyd was born in Montreal, and when 19 years of age entered the employ of the Canadian Government as a diver and gained renown for his daring.

### YOUTHFUL TRAMP.

County Constable Mounce yesterday arrested Harry King on the Indian Reserve. Harry is 4 years old and his parents live at Hatchley. He was placed in the Children's Shelter here but has run away repeatedly. For six weeks the lad has been tramping footed, and with sparse clothing. He was, when taken into custody, with some Indians on a hunting expedition. He will likely be sent to an Industrial School.

### GENERAL NOTES.

Ald. J. W. Benough, of Toronto, addressed a large meeting in the Grand Opera House yesterday afternoon to the interests of temperance reform.

Wallace M. Findlay, of the Brantford Courier, formerly of the Spectator and Guelph Herald, leaves this week to join the reporter staff of the Toronto News. Mr. Findlay made a host of friends here, who will regret his departure from the Toronto Commissioner Combs, of the Salvation Army, favored Brantford with a visit yesterday and was greeted with large meetings at the various services.

Running about on the ice crust out from the shore at the foot of Birch avenue, Toronto, and laughingly daring his two companions to follow him, Allan Gardner, the nine-year-old son of Fred Gardner, living at 30 Cromwell avenue, fell through and was drowned on Saturday afternoon.
