(for Hammel's Gaussies,) Mir. Reprod. Sch. (Rohas been said shata Bank woul the people of Charletteown. This, nimbe. I saw a man from the c work offer in a cooptime of Mr. dive over due, for By per cent discos at this rate unable to obtain the m man had ravelled some twenty or or purpon to obtain the interest on the or more your some the interest on the or purpon to obtain the interest on the or one would the interest on the of noney be anything like an squir want of it? even at the discount r this private banking establishment. Merchants, traders and farmars, beginning to feel the want in real to consider the benefits that would the establishment of a Bank of io ount, let them them come forwar capitalists to join them in formin and obtaining a charter from the Most of our homorable capitalists or for those who will receive the chiel it. Those who will take hold of an for those who will take hold of an for those who will receive the chiel it. Those who will the interest the shore the it. Those who will the interest the shore the it. Those who will the shole the shore

To THE EDITOR OF HASZARD'S

To THE REPTOR OF HASZARD'S The traffic in Intoxicating Liquo separated from its consequences. Such are the weaknesses and fr len men, that if temptations are the way, they are too apt to fall into this case (as facts prove) they ha lamentable extent : and from the the past, we come to the legitimat that the same effects will still foll cause—can we innocently continu-if we know it to be productive of amount of evil—shall we strive t selves by saying, if we do not, oth There is a wide difference between the other self.

remove evil and promoting evil. I could give the names of severa I could give the names of severa merchants, in this Town, who hav busness, from a perminsion that putable and injurious. One of t that the only thing he has cause of, since he came to the Island, is imported some run and sent it in to be sold.

to be sold. The suppression of the Liquor Island, as every thinking man and see, would be of incalculable bene great reform question of the day, where, and those who oppose it, be designated "Obstructionists. brighter day is about to dawn on tive isle, and that I may live to a mination that maketh desolate" J do

Charlottetown, May 28.

TO THE EDITOR OF HASZARD'S

Their a great deal of trout Teachers and parents, by a war in the Books which are purchas so great a variety is now offared, possessing the same merits and in their compilation, which ren ble for them to make classes. T tires to be rep requires to be represented to the cation, to get them to move in (as anything that is everybody nobody's, it yet remains to be are now desing purchased, so tha is done the better, teachers will order, parents what to buy, what Books to procure for sale. Carendish, May 24th 1853.

A Committee was then appointed composed of the Ansee have turned their strention to it.
A fast. Herndon, in his recent voyage down the Ansee, it was the appointed to composed of the Ansee, it is according to the Ansee, it is acc

(For Hassard's Gaze Mg. Haszard ;

Ms. HASZARD; Sir, Can you inform us throu of your widely circulated Gaze templated by the 22d. soction Education Act, which prescrib gegenents to teach Schools sha tween the Transcess and the Te mean, that the Transcess can en on their own responsibility; ere tanja may be opposed to him ; the Trustees of a School impose a teacher to whom the people merely because he may be a frice of theirs ! As the subject is on thrown, upon it would set at x of agitation going on at press where teachers are engaged, w currence and approbation of the Theorem Steven More 21et 186

Three Rivers. May 31st, 185

Three Rivers. May 31st, 185 [There is no doubt, it is the Education Act, thist the selection in each District shall be in the time being. For the present opinion, finat if a District orbits a computent Bencher at all, it m fortamate, there being, at the pr gs we can learn, at least 50 or 6 to be unprovided. If an unpop chosen at any time, it must n the int for privilege of the In two new Transcen, every July, going ant of office, which may ju the hands of the people at h

The Steamer Rose arrived a ay from Picton, with freight is is to leave again on Friday
